Simple yet terrifying, Anxiety simulates the experience of a panic attack for players. Anxiety is a psychological horror game experience created by Zoidberg656. In it, the player will wake up in a small bedroom. They can explore a large, dark house and have the ability to turn on lights and open doors. As the game progresses, players will experience simulated anxiety attack symptoms and an unsettling soundtrack. At the end of the experience, a note reminds players there are people who can help them overcome anxiety. The game is simple but an important way to explain mental health concerns to those who may have never experien.
