We've been hearing from our educator community that it's simply not enough to have occasional conversations about safety and digital civility and that they'd greatly benefit from a structured curriculum and project-based learning as the new school year begins and kids are spending more and more time learning and interacting with one another online," said Laura Higgins, Director of Community Safety and Digital Civility at ROBLOX. The curriculum launching today is designed to provide both educators and students with a self-paced, topic-specific narrative that will help build a generation of resilient digital citizens and ensure kids and teens have positive and safe online experiences.

ROBLOX has been one of the most dominant and long-lasting titles on the internet. The game is more than just a single video game but rather a platform for creativity from its users. Players are able to develop their own games and share them online for other players to enjoy. Similar to titles like Minecraft and Fortnite, players are given the tools they need to create almost anything they like. The game also features its own in-game economy, where players can design items or clothing to sell for ROBUX, the currency system in the game. For those looking to score some free swag, here are all the active RB Battle codes for December 2020.

As the name suggests, Work at a Pizza Place allows players to simulate working in a pizzeria as a pizza delivery person, cashier, chef, supplier or boxer. Created by Dude1, this game is one of the most popular and classic games on the platform. It can be played solo or with friends, and players can earn money to put toward creating the ultimate pizza experience.

Over the past year, ROBLOX has reached more than one million students worldwide through its education initiatives including camps, coding challenges, and school curriculum resources. In March 2020, ROBLOX released educational tools through the Teaching Remotely Initiative to aid in remote teaching and learning. In June 2020, ROBLOX launched its semi-annual coding challenge Build It, Play It, (formerly known as the Creator Challenge), which was the company's most successful event to date with over 7 million game visits and more than 210,000 games published. With today's announcement, the company continues to deliver resources to students and teachers designed to complement continued remote learning or hybrid learning models this fall.

Moderators apply for a position within a certain ROBLOX game and are responsible for keeping chat and gameplay civil and respectable among players. It's just like mods in chat rooms or on Twitch streams. Unfortunately, as Twitter user @Txistxd\_Lou shows here, it doesn't always work out.
