ROBLOX is an amazing platform to learn, earn and play. It is not a single game but a platform to create different games and give those your name. Users can play their own created games as well as games created by others. ROBLOX came into the market in 2005, and by 2021 it has almost 1 million daily active users, so you can guess that the game is pretty good.

Over the past year, ROBLOX has reached more than one million students worldwide through its education initiatives including camps, coding challenges, and school curriculum resources. In March 2020, ROBLOX released educational tools through the Teaching Remotely Initiative to aid in remote teaching and learning. In June 2020, ROBLOX launched its semi-annual coding challenge Build It, Play It, (formerly known as the Creator Challenge), which was the company TMs most successful event to date with over 7 million game visits and more than 210,000 games published. With today TMs announcement, the company continues to deliver resources to students and teachers designed to complement continued remote learning or hybrid learning models this fall.
