## Free Apex Coins for PS4 and XBOX with our hack

Apex Legends remains as one of the best battleroyale games available and we all love to be able to dominate and win games with ease, that's why so many people search for an apex legends coins hack to help them out with the herculean task of collecting currency. To help you out with "the grind" we are allowing a small number of people to enjoy the hack in all it's glory, unfiltered and ready for you to generate unlimited amounts of coins as you see fit.

This are great news because the prices for the Apex Coins keep going up every single month. Anyone who tried to buy apex coins on Tuesday, 28, took a scare. The game money increased almost 40% without any notice. The price had never been adjusted since the game's release in February 2019.

Apex coins are used to purchase the battle pass, skins, weapon pendants, and packs. The Season 3 pass cost went up as well for example. The store is a frequent target of community complaints. This is due to the delay of updating and lack of offers. It is updated each week with only one legendary character skin and a weapon skin. Each legendary item of this one costs 1,800 coins.

If you want to try your luck in packages, know that each one costs 100 coins. In addition, it is also possible to buy levels in the battle pass in order to reach the end of it faster. Each level costs 150 coins.
