The makeup of both teams has changed drastically, with the star performers on that occasion - Dele Alli, Jesse Lingard and match-winner Mandžukić - no longer on the scene.

Both sides consider themselves contenders, but for Croatia there's a fear that their Golden Generation has peaked, with Luka Modrić no longer the force he once was, and Ivan Rakitić, Danijel Subašić and Super Mario all retired from international duty. While England's inability to keep possession has repeatedly proved their undoing against strong opposition, but they now have an abundance of technically gifted elite players, in Phil Foden, Jack Grealish and Jude Bellingham.

Will it be the new generation or the old guard that prevails today? And how much will yesterday's heart-wrenching scenes of Christian Eriksen affect the players? Follow our guide below as we explain how to get an England vs Croatia live stream and watch this game from wherever you are in the world for FREE.
