

THE CEREMONY OF ONENESS

THE CEREMONY OF ONENESS: LIVING A LIFE OF NO OPPOSITES

PREPARING THE SPACE FOR THE CEREMONY

The Center Stack

- The Wheel of the Remembrance of the Infinite that Its Creation is Itself is placed on the bottom.
- On top of that, place the Wheel of Remembrance of Creation that It has Always Been the Infinite's Being.
- Next, place the Alchemical Equation.
- On top of that, place the Square of No Opposites
- On top of that, place The Alchemy of Opening to Limitless Unfolding.
- Next, place the Key of Oneness.

The center stack is now complete.

The Inner Ring of 8 Stacks

- Create the Inner Ring around where you will be lying, starting where your head will be and place the stacks in a clockwise manner.
- Place the 96 Human Principles of the Alchemy of the One in 8 stacks of 12 in a clockwise circle around you with each stack containing the lowest number on top and the highest on bottom.

The Outer Ring of 8 Stacks

The 8 stacks of this ring consist of 6 symbols each.

- The bottom 3 on each stack will be the Principles of the Star Races of the Alchemy of the One and the top 3 on each stack will be the Principles of the Hidden Realms of the Alchemy of the One.
- Lay the Principles of the Star Races of the Alchemy of the One in 8 stacks of 3 each in a clockwise manner with the lowest numbers on top, highest on the bottom.
- Lay the Principles of the Hidden Realms of the Alchemy of the One in 8 stacks of 3 each on top of the other 8 stacks you just laid down, again with the lowest numbers on top.

Your ceremonial space is now complete.

THE CEREMONY OF ONENESS

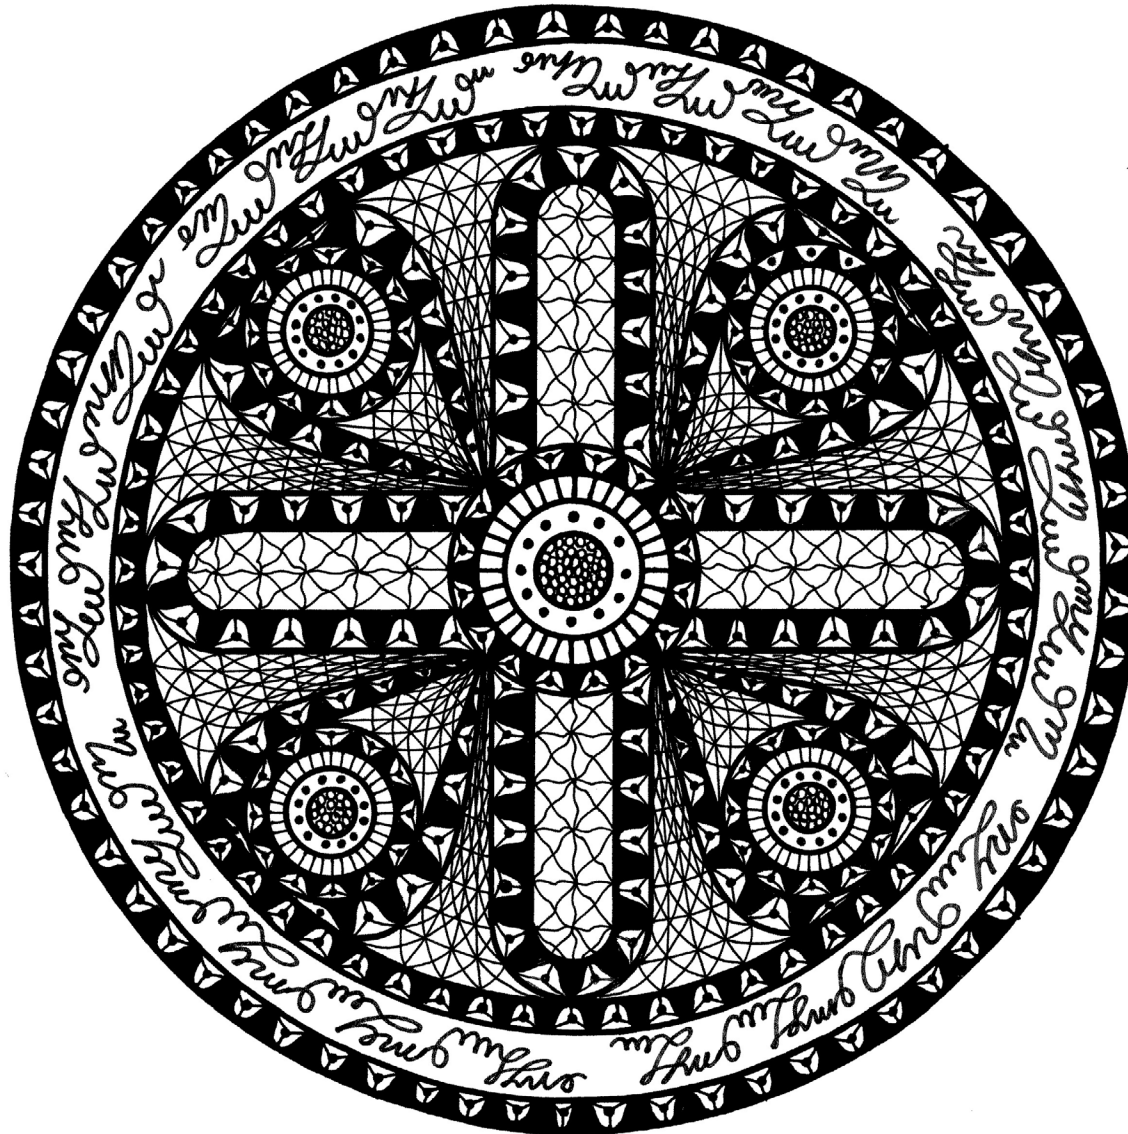

How to do the Ceremony

Note: The ceremony will flow much more smoothly and be more meaningful if the 144 Principles of the Alchemy of the One are studied, contemplated and internalized prior to attempting the ceremony.

- Relax with some music and place yourself in a meditative state while lying comfortably in your prepared ceremonial space, the center stack beneath you, under the navel area.
- Lying down as flat as possible is the preferred position for all ceremonies; a small pillow under the knees and a small neck roll are permissible – sharp angles in body alignment are to be avoided.
- With the list of the 144 Principles of the Alchemy of the One in your hand, read them one by one. They may also be pre-recorded at a slow pace for you to listen to.
- Feel yourself becoming these principles.
- End with a prayer that in all ways you may be blended with the One.
