

Edmodo for Parents

 Hello parents! Currently looking to find a few volunteers willing to help during next week's field trip. Anyone interested?

 I'm available to help!

 Hello Mrs. Lindsay, I'd be happy to volunteer. Do I need to bring anything specific?

 I'll bring cupcakes for everyone!

Build Learning Partnerships with Parents

When families are more engaged in what's going on at school, your students will be, too.

With Edmodo, **parents can:**

- See due dates and student work
- Get important classroom updates
- Reply to your notes
- Access on [Web](#) or the [Edmodo for Parents](#) mobile app

"I can easily communicate with my students' parents and know that they're invested in supporting their child's learning efforts, which makes me feel that I have an extended team I can work with to help my students reach their goals."

Lynn Woods, Eighth grade teacher
Virginia Beach, VA

Help ensure everything you teach today gets reinforced tonight by:

Connecting

[Invite parents](#) to see and support what's going on in your classroom.

Tip: Ask students to bring their parents on for homework

Communicating

[Post](#) parent announcements, questions, permission slips, and more.

Tip: Remember to send your notes to "Group Name + (Parents)"

Updating

[Share student progress](#) by posting assignments and quizzes on Edmodo.

Tip: Grade student work on Edmodo for added support
