We have several that need our special prayers at this time. Please remember them daily.

Let's talk up the blessedness of worshipping God together. Worship keeps us close to God and one another. Worshipping God together is the great blessing of life. We must never forget!

The Fall Festival gets underway at 5:00 p.m. Saturday. This is a great event each year. We are expecting an especially large crowd.

Brother Harry Frey told me his white blood cells checked normal last week. This means his treatments for Leukemia are working. We thank God for this good news.
