Ken's Comments

Have you ever taken time to think about what ***“One Nation Under God”*** means?

It is a phrase from the U.S. Pledge of Allegiance, signifying that the United States is a Nation that acknowledges God almighty and that this belief is an integral part of the Nation's identity. It suggests that the Nation's existence and purpose are connected to God's divine will and plan.

The phrase was added to the Pledge of Allegiance in 1954 during the Cold War, amidst concerns about the perceived threat of atheistic communism.

It reflects a belief in God as the foundational element of the Nation's identity and values.

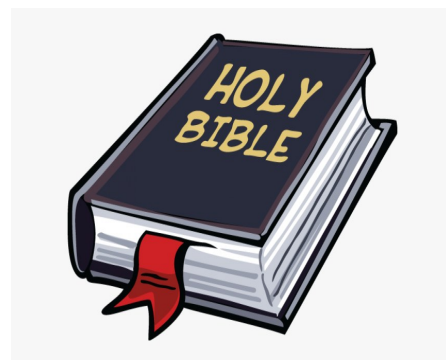

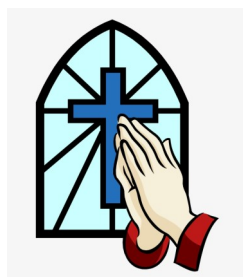

Some view it as a statement of national faith, while others see it as a way to distinguish the United States from Nations with state - sponsored atheism.

“One Nation Under God” promotes national unity and shared values.

The phrase is often seen as a reminder of the moral and ethical foundations upon which the Nation was built, emphasizing that the government is accountable to almighty God.

May every citizen of the United States of America say together, “For this God is our God for ever and ever; he will be our guide even unto death” (Psalm 48:14).

God Bless America!!
