Operator/ Client:	Petronas Leadership Centre
Project/ Location:	Diverse Training Centers (Bangi; Kerteh; Kota Kinabalu; Kuala Lumpur) in Malaysia
Scope of Services:	Strategic Business Acumen Training for Oil & Gas Executives and Professionals

### ***Petronas Leadership Centre at a glance:***

*Petronas Leadership Centre, which started out as an internal training department in 1979, is now a credible leadership development centre serving the Oil & Gas sector in Malaysia and beyond.*

*As a Leadership Center that understands the needs of the oil and gas industry and the region, Petronas Leadership Centre supports the capability building of their clients to ensure their human capital is equipped with holistic leadership competencies to drive organisational growth.*

## ***Aramis' Scope of Work:***

***Aramis managed and executed the project in partnership with IFP Training (France).***

***“Strategic Business Acumen for Oil & Gas Executives and Professionals” is specially designed to provide Petronas executives from different backgrounds with a common understanding of the overall oil and gas business, from early exploration stage through production, refining, gas treatment and distribution.***

***The 5 and 10 days format course is structured for participants to understand and experience:***

- ❑ Main Economic, market, physical, environmental and political forces driving oil and gas demand, supply and prices***
- ❑ The key links and terms of the Oil & Gas industry***
- ❑ The fundamental management tools and decision processes in an international oil and gas company***
- ❑ Practical decisions and risk of doing business in the oil and gas industry on a worldwide scale experimentation through “strategic management games & case studies”***
