

Hello Docs,

A year ago today we were canceling our annual congress, we are thrilled to be opening it this year for in person COPE CE! With the enthusiasm for in person ARBO COPE CE we anticipate selling out both OD and para programs again! This email has some important information so please take the time to read it.

[https://www.utaheyedoc.org/2021\\_annual\\_congress.php](https://www.utaheyedoc.org/2021_annual_congress.php)

### **Workshops, CPR, etc?**

You will notice this year we have three additional options to add ons to your registration. Since Utah ODs can do vaccinations we are hosting lectures on vaccinations as well as hands on lab portion for vaccinations as well. The lectures are open to all ODs but those doctors who are signed up for the hands on vaccine workshop get first priority if we are limited to attendance in the room. With the vaccination portion we also offered a CPR/ADE class for both ODs and paras. This class is one hour and also an additional cost. We did not combine this with the vaccine workshop because some offices and doctors may already be up to date on this. You or your staff can also attend the CPR/ADE class too even if you are not doing the vaccine workshop.

The Saturday cosmetic workshop is tied to the lectures on Saturday morning and afternoon. Once again the lectures are open to all ODs but priority will be given to Doctors who are attending the hands on cosmetic workshop Saturday afternoon.

### **UOA Room Block information at the Zermatt**

Below is the booking link -

[www.wyndhamhotels.com/trademark/midway-utah/zermatt-utah-resort-and-spa-trademark-collection/rooms-rates?&checkInDate=06/09/2021&checkOutDate=06/14/2021&groupCode=210606UOA](http://www.wyndhamhotels.com/trademark/midway-utah/zermatt-utah-resort-and-spa-trademark-collection/rooms-rates?&checkInDate=06/09/2021&checkOutDate=06/14/2021&groupCode=210606UOA)

Guests can use the provided link or they may call 866-ZERMATT, press option 1, ask for the Utah Optometric Association 2021 group rate and give their dates – the group code is 210606UOA which they can also reference.

As being a Wyndham Trademark resort, we do use their call center for overflow and after hour calls. The system used for the booking link and call center only allows to book from the group block. Once the block is full or after the cutoff date, the link will no longer work and the call center will not see the group rate. For all these reservations, guests can book directly with our in-house reservations who

can be reached at 435-709-9527 where they can leave a voicemail and either I or my reservation agent will call them back to make that reservation.

**Golf Link**

We are hosting our Annual tournament this year at Soldier Hollow, the link to register for that will be emailed out later today.

Thank you again for your membership and patience as well as we get the wheels turning again for a great convention!

Sincerely,  
The Utah Optometric Association
