Speaker:

**Dr. John Rumpakis
 OD, MAB**

President and CEO of Practice Resource Management, Inc., a firm specializing in providing a full array of consulting, appraisal, and management services for healthcare professionals and industry partners. Founder of Opt-ED @ Professional Continuing Education, which creates and delivers top tier continuing education around the country, as well as Opt-IN @ which provides optometric marketing and promotional services.

Named the Chief Medical Coding Editor for Review of Optometry & Optometric Management, he has been extensively published on the topics of third party coding & billing, strategy development and execution, practice management, team building, maximizing effectiveness and profitability, including the textbook “Business Aspects of Optometry”. Dr. Rumpakis is a popular lecturer both nationally and internationally. In addition to having had a successful solo practice, Dr. Rumpakis developed the practice management curriculum at Pacific University College of Optometry and taught optometric & medical economics there for over a decade.

Things to Do at Lakeview

- **Golf** – Lakeview Resort has two championship courses offering breathtaking views of Cheat Lake and the rolling hills of West Virginia.
- **Dining** – Lakeview has two restaurants on site - Legends Sports Bar and Fusion.
- **Fitness** – Lakeview Resort's fitness and sports center is a world-class facility featuring the latest workout equipment, activity areas, and expert instruction.
- **Spa** – At Spa Roma, the treatments will de-stress, re-energize, and bring focus and balance back into your life. Spa Roma offers massage therapy, body therapies, skin care, skin resurfacing, and a complete salon with nail and hair care.
