

Optometry's meeting[®]

LEARN. LEAD. CONNECT.

Registration Brief

JUNE 21 – 25, 2017
Washington, D.C.

optometrismmeeting.org

Because I know there's more to my patients than meets the eye, I prescribe **ACUVUE® Brand Contact Lenses.**

Finding the right lens for your patients is about more than refraction numbers. It's about understanding their lifestyle and how it impacts their eyes. Because uncovering your patients' predominant needs helps you select the right lens from the start.

EYE-INSPIRED™
Design

ACUVUE® offers you a portfolio of contact lenses that are designed to meet your patients' individual needs. It's the guiding principle we call EYE-INSPIRED™ Design, and it combines our knowledge of eye physiology with an intimate understanding of patient lifestyles. Inspired by the natural functions of the eye, we develop innovative technologies that meet your patients' different needs.

Discover how the ACUVUE® portfolio can help you fit the right lens, right from the start.

 To learn more, visit acuvueprofessional.com

ACUVUE®
BRAND CONTACT LENSES
EYE-INSPIRED™ PATIENT-FOCUSED.

ACUVUE® Brand Contact Lenses are indicated for vision correction. As with any contact lens, eye problems, including corneal ulcers, can develop. Some wearers may experience mild irritation, itching or discomfort. Lenses should not be prescribed if patients have any eye infection, or experience eye discomfort, excessive tearing, vision changes, redness or other eye problems. Consult the package insert for complete information. Complete information is also available by visiting acuvueprofessional.com, or by calling: 1-800-843-2020
ACUVUE® and EYE-INSPIRED™ are trademarks of Johnson & Johnson Vision Care, Inc.

LEARN. LEAD. CONNECT – AND ADVOCATE!

Being a doctor of optometry is first and foremost about providing the highest quality eye and vision health care for our patients. As dedicated doctors, we must focus our energies on shaping the future of optometry and America’s vision health. This year, Optometry’s Meeting® participants will have the unique opportunity to make a difference, not only for ourselves and our practices, but also for the health care of our patients. Having our meeting in Washington, D.C., will bring together an unparalleled group of thousands of optometric professionals to learn, lead, connect and advocate with our colleagues. This is an event you won’t want to miss!

LEARN. Earn an unprecedented 36.5 hours of continuing education (CE) credits over five days. We have many exciting additions to our CE lineup this year, including the exclusive “In the Pipeline” series on Wednesday that will focus on where optometry is heading, “CE after Dark” on Friday evening until midnight, state-of-the-art digital ePoster sessions, joint OD-paraoptometric courses, and much more!

LEAD & ADVOCATE. Advocacy is how we keep our profession strong and our patients healthy, and the AOA and our members are an unrivaled force in D.C. and in our states. Optometry’s Meeting allows every participant to make the AOA, our association, a stronger, more effective advocate for our profession and our patients. Join doctors from your state to visit Congressional offices and experience firsthand the excitement and challenge of influencing policy and making your voice—and your patients’ voices—heard. Participate in the House of Delegates and help lead the advancement of optometry, or attend public sessions to become better informed.

CONNECT. I know it can be a challenge to fit everything into your schedule, and that’s why Optometry’s Meeting brings it all together—in one place—for you. In addition to the opportunity to meet with industry leaders in the exhibit hall and connect with colleagues across five days of networking events, you can join your colleagues in not only advancing optometry’s agenda, but also driving awareness of the valuable role doctors of optometry, America’s family eye doctors, play in health care.

American Optometric Student Association President Andy Mackner joins me in inviting you to make plans now to participate in your meeting. Optometry’s Meeting is the official annual meeting of the AOA and AOSA and an exceptional member benefit. Join us in Washington, D.C., to make your mark and ensure the bright future of optometry!

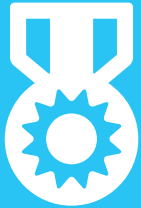

ANDREA P. THAU, O.D.

2016-2017 President

Network with your colleagues at
100+ EVENTS
including the Opening General Session,
the Essilor Optometry Student Bowl™,
alumni receptions, the Celebration of Optometry,
Optometry Cares® 5K Run/Walk, and more!

CONFERENCE HIGHLIGHTS

OPENING GENERAL SESSION

**Wednesday, June 21, Opening Reception 4:30-5:30pm,
Opening General Session 5:30-8pm**

Optometry's Meeting proudly welcomes an Olympic icon to the Opening General Session stage. Twelve-time Olympic medalist Dara Torres, considered one of the greatest female competitive swimmers of all-time, delivers an inspirational message about pursuing goals, no matter the obstacles in the way. Competing in an unprecedented five Olympic Games, Torres became the oldest swimmer ever to compete in the Olympics during the 2008 Summer Games at the age of 41, and her attempt at the 2012 London Olympics inspired many older athletes to re-enter competition. Torres, named one of the "Top Female Athletes of the Decade" by Sports Illustrated and a 2009 ESPY award winner, is also an author, fitness enthusiast and regular TV personality.

Among the most anticipated events of the year, the Opening General Session also will feature the 2017 AOA Annual Awards Ceremony and messages from optometric leaders.

Generously sponsored by Johnson & Johnson Vision.

HOUSE OF DELEGATES

**Thursday, June 22, 7-11am
Saturday, June 24, 8:30am-4:30pm**

For more than a century, optometry's preeminent assembly of leaders and decision-makers has led the advancement of our profession. Join us on Thursday as the House of Delegates discusses the latest in optometry and essential governance updates, the latest news from the AOA Board of Trustees and the presentation of awards. All members are invited to attend Saturday for the election and installation of the AOA Board of Trustees. Hear the latest in advocacy news and accomplishments, and take a look at the future of optometry from your AOA leaders.

ESSILOR OPTOMETRY STUDENT BOWL™ XXVI AND RECEPTION

Thursday, June 22, 7:30-11pm

College rivalries take center stage as the schools and colleges of optometry battle to be the smartest, loudest and most creative. The high-speed, high-stakes test of optometric knowledge pits one champion from each school against all others, poised to buzz in with the right answer and bring home \$1,000 and the coveted crystal trophy. The equally celebrated Spirit Award honors the school with the most energy, best costumes and flashiest entrance. Everyone is invited.

Generously sponsored by Essilor.

CELEBRATION OF OPTOMETRY

Saturday, June 24, 7-10pm

Come and let your hair down as pop sensation Andy Grammer performs his chart-topping hits, including the triple-platinum anthem, "Honey, I'm Good." and his platinum singles, "Keep Your Head Up," and "Fine By Me."

The first male pop star in a decade since John Mayer to reach the Top 10 at Adult Pop Radio on his first two singles, Grammer has taken the music world by storm. His current single, "Fresh Eyes," is Top 10 at Adult Pop Radio, and certified gold. Grammer has made over 30 national TV appearances, and has

shared the stage with Taylor Swift, Shawn Mendes, Florence + the Machine and more. He is currently working on his new album, set to debut in 2017.

Join colleagues to recognize the 2017-18 AOA and AOSA Board of Trustees, and expect an evening for the ages to bring Optometry's Meeting to a close.

Generously sponsored by HOYA.

PRACTICAL, RELATABLE, ENGAGING EDUCATION!

See the education grids on pages 10-15 for details.

OD TALKS: VIRTUAL AND AUGMENTED REALITY

Wednesday, June 21, 3-4:15pm

See what all the hype is about as the OD Talks—inspired by the well-known TED Talks—return.

We are entering a future in which we navigate the digital world primarily through sight, the same way we do the natural world. Speakers from YouTube and Vivid Vision will help us understand how new, nonoptometric technologies will affect the optometric world and our patients.

NEW THIS YEAR!

- **In the Pipeline**
Where is optometry heading?
Wednesday 10:30-11:30am, 12:30-3pm
- **Joint OD-Paraoptometric Courses**
Fifteen courses offered Wednesday through Saturday
- **Match Game**
Can you match the answers given by our expert panelists?
Thursday 9-11am
- **30-minute Evidence-Based Case Studies**
Seven courses on Friday
- **CE After Dark**
Get an additional 6 hours of CE in the evening!
Friday 6pm-midnight
- **ePoster Sessions**
New state-of-the-art technology!
Thursday 4-7pm,
Friday 1-2pm, 3-4 pm, and 4-5pm,
Saturday 9-10am and 12-1pm

EXHIBIT HALL SPECIAL EVENTS

EXHIBIT HALL GRAND OPENING AND RIBBON CUTTING

Thursday, June 22, 4-7pm

Don't miss the ribbon cutting ceremony at 4pm. The Washington Nationals' Racing Presidents will be there to entertain you, so get your photo taken with George, Abe and Teddy. Visit our Solution Center to see the latest and greatest products and services that optometry has to offer and meet with exhibitors. There will be plenty of snacks to go around such as popcorn, soft pretzels and ice cream. Come in, grab a bite and check it out!

OTHER EVENTS

Friday, June 23, 12-1pm

Didn't get a seat in one of the three sponsored lunch symposiums? That's okay—we have you covered in the Hall. Join us for a tasting in the Hall. Snack, mingle, repeat!

Friday, June 23, 3-5pm

Join us and Recharge in the Hall! Let me guess...your phone is almost dead and you need a pick me up too. Don't fret—recharge your phones and refuel your body with a Red Bull or Vitamin Water and a candy bar or bag of trail mix. Have a snack and hang-out with your colleagues and exhibitors before the alumni receptions and CE After Dark.

Saturday, June 24, 9-10am

Join us in the Exhibit Hall for bagels and muffins, and take some time to close the loop with exhibitors you've been connecting with all week.

JOIN AOA ON CAPITOL HILL AS CONGRESS AND THE WHITE HOUSE ARE CONSIDERING A NEW DIRECTION IN HEALTH CARE

With Optometry’s Meeting® in Washington D.C., just as major changes to the Affordable Care Act, Medicare, and other health programs are being considered, every AOA doctor and student can help ensure that optometry is heard loud and clear.

Coordinating closely with state associations, the AOA will provide advance issue briefings and on-the-ground support throughout Optometry’s Meeting for every doctor and student who wants to advocate for the profession, fight back against out-of-control vision plans, shape how optometric care is recognized in federal law and regulation, and strengthen the AOA’s network of contacts in Congress and federal agencies.

We need you! Reserve your spot for AOA on Capitol Hill as part of Optometry’s Meeting; contact AOA-PAC Coordinator Tess Milliorn in the AOA Washington Office at 1.800.365.2219 / TMilliorn@aoa.org.

AOA+: THE EMERGING LEADERS’ EXPERIENCE

Kick off five inspiring days of action and education at this first-ever event for optometry students and young doctors. AOA+ will plus up your Optometry’s Meeting experience with a rally on Capitol Hill; an exciting keynote address on personal finance by Alexa von Tobel; and networking with optometrists, mentors and your peers. Plus, you’ll find even more opportunities to meet with members of Congress and industry leaders throughout the week. Look forward and shape the future of our profession. Register at aoa.org/aoaplus.

Sponsored by *Johnson & Johnson* VISION

OPTOMETRY CARES® 5K RUN/WALK

Saturday, June 24, 6-7:30am

Come stretch your legs and lungs at the fifth annual Optometry Cares 5K Run/Walk! For more information, visit optometrymeeting.org or aoafoundation.org. Race entry fee of \$30 includes a race packet, chip-timed bib, technical T-shirt, finisher’s medal and awards to top age-division finishers.

Sponsored by The Vision Council

JOIN US IN WASHINGTON, D.C.!

Monuments and memorials, unmatched museums, eclectic neighborhoods—Washington, D.C. is a place unlike any other. This is a city you can walk across, with wide-open avenues, unique neighborhoods and river views.

The best way to see most of Washington's monuments and museums is to stroll down the National Mall, a two-mile greenway crowned by the United States Capitol and lined with treasure all the way to the Lincoln Memorial. Along the way, you can visit the Smithsonian Institution, the National Gallery of Art, the National Air and Space Museum, the Washington Monument, the Vietnam Veterans Memorial, eight gardens and many more museums and landmarks.

Beyond national treasures and historic buildings, D.C.'s neighborhoods buzz with lively cafes and restaurants, rich culture, and music of all kinds. There's so much to love about each one of D.C.'s communities.

Optometry's Meeting® will convene at the Walter E. Washington Convention Center, conveniently located in the heart of downtown D.C. only one mile from the National Mall. It is an extraordinary 2.3 million-square-foot conventions and meetings facility. Opened in 2003, the convention center has won awards for inspiring design and features state-of-the-art technology. All ten Optometry's Meeting hotels are within easy walking distance of the Convention Center.

As the nation's capital, Washington, D.C. offers the ultimate American experience, especially in summer. Start making plans now!

HERE'S WHAT'S INCLUDED IN YOUR REGISTRATION!

One low registration price includes admittance to continuing education, the Exhibit Hall, and the events listed below. You don't have to pre-register for courses or pay per credit hour except for the hands-on workshops for doctors of optometry. The following functions are included with all ophthalmic professionals' full conference, one-day, or two-day registrations. Events below, except continuing education, are included with the exhibits & events registration. A name badge is required for admittance to events, including guests and children.

- Five days of continuing education
- OD Talks
- Opening reception
- Optometry's Meeting® Opening General Session
Sponsored by Johnson & Johnson Vision
- Admittance to the House of Delegates
- Essilor Optometry Student Bowl™ XXVI and Reception *Sponsored by Essilor*
- Three days' admittance to the Exhibit Hall
- Food and prizes in the Hall daily
- Access to 100+ networking events
- A Celebration of Optometry
Sponsored by HOYA
- Optometry's Meeting mobile app
Sponsored by Essilor and Bausch + Lomb
- Optometry's Meeting T-shirt
- Commemorative lapel pin

HOW TO REGISTER

Register early – the earlier you register, the more you save!

Online at optometrymeeting.org. Online registration is a fast, simple way to complete your meeting registration. Payment must be made at the time online registration is completed.

Via mail – complete the registration form found at optometrymeeting.org. Registrations will not be accepted via phone, fax or email. A separate form must be completed for each primary registrant. All information must be completed in order for your registration to be processed. Mailed registrations will be processed according to the postmark date. Registrations without a form of payment will not be processed.

Need help with registration?

Call customer service at **877.394.9748**

International attendees may call **708.344.1112**

Please send completed registration forms to:

Optometry's Meeting 2017
c/o CompuSystems
2651 Warrenville Rd, Suite 400
Downers Grove, IL 60515

REGISTRATION CANCELLATION POLICY

A refund of registration fees, less a \$50 per person administrative charge, will be granted if your written request is postmarked on or prior to May 15, 2017. No refunds will be given after the May 15 deadline. All refunds will be issued in the same form as your original payment. Cancellation requests will not be processed by phone. Request for refund should be mailed or emailed to:

The AOA and AOSA work tirelessly to keep attendee costs affordable at Optometry's Meeting. To keep registration fees low, we ask you to support Optometry's Meeting by booking rooms through Wyndham Jade, the Optometry's Meeting official housing bureau. Wyndham Jade is the only company authorized to arrange hotel reservations for Optometry's Meeting in Washington, D.C.

BENEFITS OF STAYING AT OFFICIAL OPTOMETRY'S MEETING HOTELS

- Discounted hotel rates.
- Easy access to all Optometry's Meeting functions.
- Better networking opportunities—stay where your colleagues are staying!

RESERVATION DATES TO NOTE

- Reservations will be accepted based on availability until 10am CT, June 13, 2017.
- Changes to hotel reservations may be made online until 10am CT, June 13, 2017.
- A deposit of one night's room and tax will be charged at the time a reservation is made.
- The full booking deposit will be refunded for reservations canceled by May 16, 2017. Cancellations after May 16 will forfeit the one night's deposit.
- Cancellations made after 10am CT on June 13 must be made directly with the hotel.
- Cancellations within 72 hours prior to arrival may be charged one night's room and tax by the hotel.

TO MAKE YOUR HOTEL RESERVATIONS

Visit optometrymeeting.org to book housing. You will also be directed to the housing website when you complete your Optometry's Meeting registration. You may print a housing form, available on the Optometry's Meeting website, to reserve your room by mail or fax. Reservations cannot be accepted via phone or email.

Need help with housing?

Call the housing bureau at [866.546.4300](tel:866.546.4300) | International attendees may call [972.349.5409](tel:972.349.5409)

INTRODUCING AIR OPTIX® PLUS HYDRAGLYDE CONTACT LENSES

2 UNIQUE TECHNOLOGIES 1 OUTSTANDING LENS

EXCELLENT DEPOSIT
PROTECTION^{1,2}

LASTING LENS
SURFACE MOISTURE^{3,4}

FOR A LIMITED TIME, NEW WEARERS CAN

SAVE UP TO \$100

ON AN ANNUAL SUPPLY VIA MAIL-IN REBATE*
WITH THE AIR OPTIX® CHOICE PROGRAM!

Visit AIROPTIXCHOICE.com to learn more

PERFORMANCE DRIVEN BY SCIENCE®

*Rebate is in the form of an Alcon VISA® Prepaid Card. Certain criteria must be met to be eligible for the full rebate. Must be a new patient to the AIR OPTIX® family of contact lenses or an existing patient that is switching lenses within the AIR OPTIX® family. Must purchase an annual supply (four 6-ct boxes) of AIR OPTIX® brand contact lenses (excluding AIR OPTIX® AQUA lenses) within 90 days of eye exam or contact lens fitting. Rebate submission must be postmarked (or submitted electronically) within 60 days of lens purchase date. Valid on purchases made at participating retailers through 6-30-17. Visit AIROPTIXCHOICE.com for complete terms and conditions.

Important information for AIR OPTIX® plus HydraGlyde (lotrafilcon B) contact lenses: For daily wear or extended wear up to 6 nights for near/far-sightedness. Risk of serious eye problems (i.e. corneal ulcer) is greater for extended wear. In rare cases, loss of vision may result. Side effects like discomfort, mild burning or stinging may occur.
