

Hello, friends,

Our TN Academy meeting is fast approaching. Plan to join us!

1) We will do COPE approved CE from 9 am to 2:30 pm on Saturday.

2) CPR certification begins at 3 pm Saturday. It will cost \$50 per person. Let me know if you plan to do CPR training. and I will email you a link to register.

3) Sunday we will do our drug diversion course starting at 9 am. We are really excited to have Dr. Scott Ensor from SCO present this for us. Such a convenient time to get that updated.

You can call the lodge for room reservations at 615-797-3101. We had a room block, but that price may have expired since we are getting so close to the date. Feel free to ask nicely though. :)

See you then!

Grace
