**DR. JOSEPH SOWKA, O.D., FAAO**

Dr. Joseph Sowka received his Bachelor of Sciences degree from Cornell University, graduating with Distinctions in 1985 and his Doctor of Optometry degree from the Pennsylvania College of Optometry (PCO) in 1989. He completed a Residency in Primary Care at PCO in 1990. In 1992, Dr. Sowka accepted a university appointment at Southeastern University of the Health Sciences (now Nova Southeastern University). During this time, Dr. Sowka has served as Module Director, Chief of the University's Opa Locka Clinic, Chief of Primary Care, and Director of the Glaucoma Service. While at the University, Dr. Sowka was promoted from Assistant Professor to Associate Professor and finally to Professor. He has developed and teaches the course in Glaucoma and Posterior Segment Disease for the past 17 years. Dr. Sowka has authored numerous refereed journal publications and textbook chapters. Dr. Sowka is on the Editorial Review Board for *Review of Optometry* and is a Contributing Editor for that journal. Dr. Sowka is on the Editorial Review Board for *Optometry- The Journal of the American Optometric Association*. He is the lead author on *The Handbook of Ocular Disease Management*, now in its 14th edition. He also writes with Dr. Alan Kabat the monthly Therapeutic Review column in *Review of Optometry*. Dr. Sowka is a founding member of the Optometric Glaucoma Society (OGS) and the Optometric Retina Society (ORS) and an Executive Board member for both societies. He is also on the Glaucoma Advisory Board for Alcon laboratories. Dr. Sowka is a member of the Professional Speakers Bureau for numerous companies. Dr. Sowka has lectured extensively nationally and internationally. Dr. Sowka is a Fellow of the American Academy of Optometry and a Diplomate in Glaucoma. He has held numerous Chair positions within the American Academy of Optometry. Currently, Dr. Sowka is Professor of Optometry at Nova Southeastern University College of Optometry where he serves as Chief of the Advanced Care Center and Director of the Glaucoma Service. He also serves as Chair for the Department of Optometric Clinical Sciences. His clinical responsibilities are devoted exclusively to the diagnosis and care of patients with glaucoma.

**MILE BRUJIC, OD, FAAO**

Mile Brujic, O.D. is a partner of Premier Vision Group, a successful three location optometric practice in Northwest Ohio. He graduated from the New England College of Optometry in 2002. He practices full scope optometry with an emphasis on ocular disease management of the anterior segment, contact lenses and glaucoma. He is active at all levels of organized optometry. Dr. Brujic is on the editorial board for a number of optometric publications. He has published over 200 articles and has given over 1000 lectures, both nationally and internationally on contemporary topics in eye care. Additionally, Dr. Brujic and Dr. Kading own Optometric Insights which provides career coaching for optometry students and emerging practitioners. As a practicing clinician, Dr. Brujic has his pulse on the realities of being in the trenches caring for patients and the real challenges and opportunities that exist in eye care. He brings a practical approach to all of the topics that he lectures on. By providing attendees with meaningful, clinically relevant information that can be applied to improve patient care, improve office culture and ultimately improve the practice, Dr. Brujic inspires success to those that he interacts with.
