QR Code Scanners

We will be using QR Codes at this event. After each course, you will be able to Scan a QR Code using your phone or tablet and immediately have your attendance reported to ARBO. This process is completely optional. The MSO will report all attendance to ARBO, whether you scan a QR Code or not.

To participate in this process, you will need to download the free OE Tracker App, found in the app store for your device.

You will need to create an account and log into the OE Tracker app in order to be able to scan the QR Codes. **[For more information click here.](#)**

We will also be using a new paper certificate system for this meeting.

Inclement Weather

MSO CE happens as scheduled, rain or shine. Events will only be cancelled in extreme weather conditions that result in official emergencies or travel bans issued by the state.

In case of inclement weather, a decision to cancel the event will be made 24 hours prior to the day of the event. A message will be posted at the top of **www.maoptometry.org**, and an email notification will be sent to the email address we have on file for you. Otherwise, the event is on!
