Optometry's
meeting®

JUNE 26-30, 2013

SAN DIEGO
CALIFORNIA

R E G I S T R A T I O N B R I E F

Dear Colleagues,

This year the vibrant and picturesque city of San Diego is the backdrop to the 116th Annual AOA Congress & 43rd Annual AOSA Conference: Optometry's Meeting®. We are thrilled to return to San Diego, the home of the first joint meeting of the two associations in 2003. Optometry's Meeting® will be held at the San Diego Convention Center June 26-30.

Every conference is as unique as the city we're in, and this year is no different. The program is as diverse as the city of San Diego, offering innovative programming for optometrists, students of optometry, and optometric staff.

As the most well-rounded meeting in the ophthalmic industry, Optometry's Meeting® offers an unparalleled combination of education, exhibits, social and networking events, and the voice of optometry, the House of Delegates.

You spoke and we listened! In 2013 we are introducing an inclusive registration fee structure. This simplified structure allows you to take as much education as you can fit into your schedule for one low price. This inclusive fee allows greater flexibility in bringing the most current education and information to Optometry's Meeting® attendees. An added benefit of the new structure — the days of pre-selecting your courses months in advance are over!

Gather your optometric colleagues, co-workers, and friends and make your plans to attend Optometry's Meeting® in San Diego. We look forward to seeing you there!

Sincerely,

Ronald L. Hopping, OD, MPH

Registration

New This Year!

You asked and we listened... Optometry's Meeting® is moving to an inclusive fee structure! One low price includes education, admittance to the Exhibit Hall, and Optometry's Meeting® events such as the Welcome Reception, Opening General Session, Varilux® Optometry Student Bowl™, and Celebration of Optometry.

Register early – the earlier you register, the more you save! Online registration at www.optometrysmeeting.org is preferred; however, you may complete and fax/mail the registration form available on the website or by calling 301-694-5243. Registration cannot be accepted via phone or email. On-site registration will be available Wednesday, June 26 – Saturday, June 29 in AOA Central at the San Diego Convention Center. Access to all educational sessions, exhibits, events, and any additional programs will only be available to registered and badged attendees.

Please refer to page 17 for complete registration information.

Hotel Reservations

Reserve your hotel room early to secure your preferred hotel! The hotels in the Optometry's Meeting® block are the Marriott Marquis Hotel and Marina (headquarters hotel), the Hilton San Diego Bayfront, and the Omni San Diego. Reservations will be accepted based on availability through May 30. All Optometry's Meeting® hotels are within walking distance of the convention center; a map of the area can be found on www.optometrysmeeting.org. An alternative to booking online is to complete and fax/mail the housing form available through the Optometry's Meeting® website. Reservations cannot be accepted via phone or email.

Please refer to www.optometrysmeeting.org for complete housing information.

Location

Most major Optometry's Meeting® programming, including education and exhibits, will take place at the:

San Diego Convention Center
111 West Harbor Drive
San Diego, CA 92101
619-525-5000

Optometry's Meeting® App

GO TO WWW.OPTOMETRYSMEEETING.ORG TO DOWNLOAD THE APP

This year there is no need to pre-select your courses in advance, making the Optometry's Meeting® app more useful than ever! You can use the app to:

- Access meeting directory and information;
- Search sessions by keyword, day, speaker, or topic;
- Map your visit through the Exhibit Hall;
- Schedule appointments with colleagues and exhibitors in advance;
- Obtain information on San Diego or search for events;
- Add yourself to the attendee list;
- See who else is attending.

New This Year!

You asked and we listened... Optometry's Meeting® is moving to an inclusive fee structure! One low price includes education, admittance to the Exhibit Hall, and Optometry's Meeting® events such as the Welcome Reception, Opening General Session, Varilux® Optometry Student Bowl™, and Celebration of Optometry.

The new inclusive fee structure allows Optometry's Meeting® attendees the flexibility to determine which courses to attend on-site rather than selecting months in advance. Some specialty courses or workshops may require registration and a nominal fee. All events are included in the registration fee but may require registration and are indicated with a ticket icon. 

One day passes are also available this year and include all CE, events, and admittance to the Exhibit Hall for the day purchased.

Registrants are encouraged to submit their registration as early as possible in order to receive the early-bird discounted rates and to avoid lines on-site.

Here's what's included in your registration!

Included with all ophthalmic professionals' and their guests' registrations are the following complimentary functions and premiums. A function ticket is not required (unless otherwise noted) for these functions; however, a name badge is required for admittance.

- **Optometry's Meeting® Welcome Reception**
(Registration required for event) *Sponsored by AOAExcel*
- **Admittance to the Optometry's Meeting® Opening General Session**
Sponsored by Essilor
- **Admittance to the House of Delegates**
- **Varilux® Optometry Student Bowl™ XXII and Reception**
Sponsored by Essilor
- **Three days' admittance to the Exhibit Hall**
- **Exhibit Hall Reception Thursday night**
- **A Celebration of Optometry (Presidential Celebration)**
(Registration required for event)
Sponsored by HOYA
- **Lanyard for name badges**
Sponsored by Alcon
- **AOSA Event - iConnect with TLC** (future optometrists attending S242 and their registered guests only)
Sponsored by TLC Vision
- **Tote Bag** (professionals only)
- **Commerative Pin** (professionals only)

How to Register:

Online at www.optometrymeeting.org – Online registration is a fast, simple way to complete your meeting registration. Payment must be made at the time online registration is completed. Unpaid online registrations will not be processed.

Via mail or fax – complete the registration form found at www.optometrymeeting.org. A separate form must be completed for each primary registrant. All information must be completed in order for your registration to be processed. Mailed registrations will be processed according to the post mark date. Registrations without a form of payment will not be processed. Please print clearly.

Please send completed registrations forms to:

Experient, Inc.
PO 4088
Frederick, MD 21705
Fax: 301-694-5124

Registrations will not be accepted via phone or email.

Registration Cancellation Policy

A refund of registration fees, less a \$50 per person administrative charge, will be granted if your written request is postmarked prior to May 17, 2013. No refunds will be given after the May 17 deadline. All refunds will be issued in the same form as your original payment.

Request for refunds should be sent to:

Experient, Inc.
PO 4088
Frederick, MD 21705
Fax: 301-694-5124

Liability

The AOA reserves the right to cancel Optometry's Meeting®, or any part of the meeting, due to unforeseen circumstances or to limit enrollments, should attendance exceed capacity. Costs incurred, such as airline or hotel penalties, are the responsibility of the individual.

Physician Payment Sunshine Act

The Physician Sunshine Act, § 6002 of the Affordable Care Act (P.L. 111-148 (2010)) ("the Sunshine Act"), requires eye product manufacturers to report attendance registration information for any Optometry's Meeting® 2013 continuing education courses and/or meals or other items of value which are supported (in whole or in part) by grant funding from such companies. Optometry's Meeting® sponsors in the pharmaceutical and device industries have asked Optometry's Meeting® to assist them in gathering this information. In honoring these requests, the American Optometric Association will attempt to gather and provide its sponsors with the information required by the Sunshine Act. Please see the Optometry's Meeting® privacy policy online at www.optometrismeeeting.org for additional information as the requirements under this rule have not been finalized.

San Diego, California

San Diego is a picturesque and richly diverse city known for its exciting combination of arts and culture, history, world-class cuisine, and unparalleled shopping, all found on one of the best backdrops nature has to offer.

Bordered by the Pacific Ocean to the west, the Anza-Borrego Desert and the Laguna Mountains to the east, and Mexico to the south, the diverse neighborhoods of San Diego are spread out over 4,200 square miles, offering endless opportunities for learning, excitement, entertainment, exploration, and family-oriented activities.

San Diego's vibrant arts and culture scene teems with lively performances, thought-provoking exhibitions, and engaging historic sites and monuments.

For food lovers, San Diego's culinary community understands this passion and delivers. From five-star French cuisine, to fresh seafood, to casual comfort food, and everything in between, San Diego's chefs are cooking up some of the best food found anywhere. To wash it all down, try a locally bottled wine or one of San Diego's many handcrafted beers.

Shopping can be enjoyed outdoors in San Diego, where open-air malls and shopping centers beam with sunshine throughout the year. From luxury brand storefronts, unique boutiques, vintage shops, and antique malls, there are plenty of places to stroll while finding the perfect items on your shopping list.

FOUR FUN FACTS ABOUT SAN DIEGO

- 1** San Diego is the ninth largest city in the United States.
- 2** The world's oldest, still functioning ship, "The Star of India" built in 1863, has her home port in San Diego.
- 3** Hua Mei, the first baby panda born in San Diego's Zoo to a pair of giant pandas in 1999, was the first baby panda to be born in the Western Hemisphere since 1990.
- 4** Charles Lindbergh flew from San Diego on May 9, 1927, in *The Spirit of St. Louis*, headed for New York, and then non-stop to Paris.

A scientific breakthrough
