

Crystal Practice Managements was to personally invite you and your staff to this year's Crystal PM User Group Conference that will be held on **Friday, August 3rd – Saturday, August, 4th** at the **At&T Executive Education and Conference Center 19000 University Ave, Austin, TX 78705.**

Last year we had over 300 users attend our conference and we plan to double that amount this year. We have an awesome line of Trainers that are prepared to deliver in depth topics and training to better explain every aspect of our software as well as COPE CE credit for you to get under your “belt”.

Please be aware that there is limited seating so we highly encourage you to register this week in order to have a good count for food, drinks and Cope CE attendance.

We look forward to meeting and connecting with you all this year, we are positive that this conference will be very beneficial for you.
