## NOA Legislative Conference

9 a.m. | March 14, 2012 | The Cornhusker | 333 S. 13th Street | Lincoln, NE  
followed by Electronic Health Records CE (see other side)

### 9 am - Legislative Conference

The morning program will feature an overview of health-related legislation facing the Unicameral; discussion about legislative and regulatory threats affecting optometry in other state legislatures and in Washington, D.C.; a review of bills NOA is following in the legislature; and an update on LB316 (scope of practice legislation). Learn where the opportunities and threats lie for Nebraska, how they may affect your practice, and what you can do about it.

### 12 noon - Lunch with Senators

Join your colleagues in hosting Nebraska lawmakers for lunch and informal conversation. An excellent opportunity to develop or build personal relationships with your senator and an important opportunity for senators to hear what issues are important to optometrists. A strong showing of NOA members is critical for the lunch. Guests are welcome.

### 1:30 pm - Optional EHR CE Course (see other side)

### Time TBD: Tour The Solution Showcase onboard VSP Mobile Eyes.

Experience how an eyecare business can be integrated with a suite of technologically advanced products and services, enabling you and your staff to deliver the very best in patient care more efficiently and increasing your bottom line. You'll also hear about how clinics like this one visit communities across the U.S., providing eye exams and glasses to patients who can't otherwise afford eyecare.
