DIVERSIFIED OPHTHALMICS, INC.®

800.626.2281 • www.DivOpt.com

An Invitation to the 2016 EastWest Eye Conference

You are invited to attend the premier eye conference in the Midwest, the 2016 EastWest Eye Conference at the Cleveland Convention Center October 6-9. Our focus is to provide world-class education to both doctors and staff.

Now in its 19th year, EastWest packs a powerhouse of mental acumen featuring speakers such as Dr. Paul Karpecki, who will give the keynote address for the conference, Drs. Melton and Thomas, Dr. John McGreal, Dr. David Kading, and Dr. Danica Marrelli.

An informed staff is key to delivering quality service to patients. Bring your entire office: Optical, Technician, and the Front Office to get the most out of the conference.

New this year will be the EastWest Eye Conference App! The app will allow you to easily access your schedule, speaker handouts, CE verification, Optometric Marketplace map and more! Visit www.eastwesteye.org.

The tradition continues as we again take over the hallowed hall of rockdom with the exclusive Friday Night at the Rock and Roll Hall of Fame Party. *Bad Habits*, the Eye Docs of Rock, will once again headline this event with classic rock band *Remember Then* opening the show.

Get ready for some learning. Get ready for some fun. Mark your calendars now to attend the EastWest Eye Conference October 6-9, 2016.

Annual Congress

Business Session and Election of Officers

Saturday, 2:00 p.m.
Cleveland Convention Center

Members of the Ohio Optometric Association will meet for the OOA annual meeting and election of officers. Learn what has been accomplished in the past year regarding state and national legislative issues affecting the profession of optometry. Find out about the critical issues currently facing optometry. Celebrate the accomplishments of the past year. Cast your vote in the election for OOA Trustees.

President's Reception and Banquet

Saturday, 6:00 p.m.
Marriott Hotel

Please join the Ohio Optometric Association in honoring OOA President Dr. Jason Miller at the President's Reception and Banquet on Saturday, October 8, at the Cleveland Marriott Downtown at Key Center. The evening also features the presentation of the Warren G. and Ruth P. Morris Optometrist of the Year award and the Jack Keith Young Optometrist of the Year award, as well as the installation of the OOA Board and Zone Governors.

Vendor Marketplace

Visit the industry's leading retailers and manufacturers in the Vendor Marketplace.

Hours

Thursday, October 6 . . . 4 p.m. - 7 p.m.

Friday, October 7 . . . 10 a.m. - 6 p.m.

Saturday, October 8 . . . 9 a.m. - 2 p.m.

Registration Information and Conference Policies

Registration Fee

The registration fee includes access to Exhibit Hall activities, sponsored breakfast and lunch events, and admission to the Friday Night Party at the Rock and Roll Hall of Fame. You must pre-register for these events.

Course Handouts

Course handouts will be available online before EastWest. Please print out or download prior to October 6.

Spouse/Guest Registration

Spouses and Guest can join us for the EastWest eye conference in three ways:

- Three Day Exhibit Hall Pass is \$25
- Friday Night Party at the Rock and Roll Hall of Fame is \$59
- OOA Presidents' Banquet is \$59

Cancellation Policy

All cancellations received before September 12 will be issued a full refund less \$50 processing fee. A 25% processing fee will be deducted from cancellations thereafter. Cancellations of registration must be in writing. Any course is subject to cancellation by the EastWest Eye Conference. **No refund for course cancellation after September 12.**

Important Deadlines

September 9:

Late registration fee of \$50 begins.

September 12:

Last day for cancellation with full refund (less \$50 processing fee).

September 19:

Pre-registration ends. All registration must be on-site with an additional \$100.00 fee.

Registration Options

- **By individual CE hours**
- **One Day Pass** (Thursday, Friday or Saturday)
- **Three Day Pass** (Thursday, Friday, Saturday)

** Separate pricing for Workshop. Separate pricing for AEPs attending OD classes. Pre-register for meals, Friday night party at Rock and Roll Hall of Fame*

Accommodations

(Reserve online at www.eastwesteye.org)

Cleveland Marriott Downtown at Key Center, 127 Public Square
\$169 (440) 542-2313 until September 14, 2016 or sold out.

DoubleTree Hotel Cleveland Downtown at Lakeside, 1111 Lakeside Ave. East
\$139 (216) 241-5100 until September 5, 2016 or sold out.

Hyatt Regency Cleveland at Arcade, 420 Superior Ave.
\$152 (216) 575-1234 until September 7, 2016 or sold out.

Westin Cleveland Downtown, 777 St. Clair Ave., NE
\$170 (216) 771-7700 until September 5, 2016 or sold out.

Three Easy Ways to Register

Course sizes are limited. Register early to avoid being closed out.

1. **On-line** at www.eastwesteye.org
2. **By mail** — send payment with completed registration form to:
EastWest Eye Conference
P.O. Box 6036
Worthington, OH 43085
3. Via **FAX** with credit card information to
(614) 781-6521.

The EastWest Eye Conference claims no liability for the acts of any supplier or speaker at this meeting or for the safety of any attendee while in transit to, from, or during this meeting. Attendees who purchase non-refundable airline tickets do so at their own risk. The EastWest Eye conference reserves the right to cancel this function without penalty. The total amount of liability to the Conference will be limited to a refund of fees paid by the attendee.

Please note that conference organizers may capture photographs and/or video of conference events for use in the promotion of future meetings and events sponsored by the organization. By virtue of their attendance, all conference attendees agree to the use of their likeness in these promotional materials and waive any right to compensation or to inspect the product that may be used in connection therewith or the use to which it may be applied.

Hands-on Workshops

Do you like to learn by doing? Be sure to check out our unique hands-on workshops offering the opportunity to work with live patients with active signs and symptoms of ocular surface disease and glaucoma. No charge; no ce credit.

Glaucoma Workshop: Integrating Technology into Diagnoses and Treatments

Saturday, 8:00 a.m. (1st, 2nd, 3rd year students)

Saturday, 10:00 a.m. (4th year students and ODs)

This workshop will feature the latest technology integrating glaucoma evaluation and management. Various stations will provide small group instruction and hands-on opportunity with patients present to use equipment for visual field interpretation, electrodiagnostics (VEP/ERG), nerve fiber layer evaluation, anterior segment imaging, and detecting and measuring afferent pupillary defects (APDs).

Ocular Surface Disease Workshop

Saturday, 8:00 a.m. (4th year students and ODs)

Saturday, 10:00 a.m. (1st, 2nd, 3rd year students)

This workshop will provide small group instruction and hands-on opportunity with current patients suffering from dry eye. Attendees will experience the latest diagnostic and therapeutic devices used to treat ocular surface disease.

ALSO:

Contact Lens Roundtable

Thursday, 8:00 a.m. (2 hrs)

OH Approval

This informal and interactive format allows attendees to enjoy breakfast and sit with two speakers of their choice to discuss contact lens-related topics such as state of the industry, new designs, materials, and solutions, compliance and complications, and the latest research.

Heartsaver CPR

Thursday, 2:00 p.m. (3 hrs)

OH Approval

The American Heart Association course teaches the basic techniques of adult and child CPR and how to use an Automated External Defibrillator (AED).

Ocular Disease Roundtable

Thursday, 7:00 p.m. (2 hrs)

OH Approval

Explore important ocular disease topics in depth with colleagues at this informal and interactive dinner event. You spend an hour with each of two speakers of your choice over dinner. Topics may include new technologies in diagnosis and treatment, dry eye, diabetes and retina, cornea and refractive surgery, cataract surgery technology, nutraceuticals, and medications.

Posters Lecture: Rapid Fire Presentation

Friday, 11:00 a.m. (1 hr)

OH Approval

The authors of the Top 10 posters will give a brief synopsis of their poster.

Poster Session

Friday, 12:00 p.m.-2:00 p.m. (1 hr)

OH Approval

Posters with the theme of "Optometry Grand Rounds" will showcase how diagnosis and treatments were determined for conditions diagnosed by optometrists. Posters will be on display from 4:00 pm Thursday until 4:00 pm Friday. Presenters will be available to discuss their posters Friday from 12:00 to 2:00 pm, during which time one hour of CE is available.

Realeyes Classroom Initiative

Jeff Walline, OD, PhD

Saturday, 8:00 a.m. (2 hrs)

OH Approval

Dr. Walline, medical director of Realeyes, conducts training for doctors and their staff to present Realeyes curricula in classrooms. Curricula consists of three age-appropriate, standardized, interactive video-based presentations that emphasize the importance of vision health and eye safety.

AEP Kickoff:

**Filling the Chairs: A Method for
Contentment and Growth**

Are you ready for a booster shot of enthusiasm for your job? Do you wish that you knew the secret to personal satisfaction? If yes, don't miss this chance to participate as EastWest invites all AEP attendees to join in the fun. Learn Laurie Guest's three-stage method to finding personal contentment and building patient volume. Expect to have fun, laugh and walk out of the session ready for a fantastic experience.

Lunch with Labs

Saturday, 12:00

Take this opportunity to talk with leading experts in the area of eyecare and eyewear... local laboratories. These labs have years of experience working with practices and products and have seen things that work and things that don't. This will be a question and answer session to allow attendees to ask questions about best practices and ways that can make our clinics more successful and efficient in the ever changing health care environment. The answers will be non-proprietary advice about how to better serve your patient's optical needs. Attend and learn. You have to eat lunch anyway, right?

AEPs may take OD Courses. Following are courses which may be of interest to AEPs

**Keynote: A Treasure Chest of
Technological Innovations in Eye Care**

BRAND CONTACT LENSES

ACUVUE® Brand Contact Lenses are indicated for vision correction. As with any contact lens, eye problems, including corneal ulcers, can develop. Some wearers may experience mild irritation, itching or discomfort. Lenses should not be prescribed if patients have any eye infection, or experience eye discomfort, excessive tearing, vision changes, redness or other eye problems. Consult the package insert for complete information. Complete information is also available by visiting acuvueprofessional.com, or by calling Johnson & Johnson Vision Care, Inc. at 1-800-843-2020.
