MONTEREY SYMPOSIUM — 2014 —

NOVEMBER 7-9

How will YOU get there?

How will you:

Grow your practice?

Prepare for health care reform?

Make sure you get paid?

**Monterey Symposium will
give you all of the tools
you need to do this
and more!**

You're glaucoma certified — Now what?
Monterey Symposium's glaucoma courses will help you navigate issues with coding, getting paid and other barriers to utilizing your hard-earned glaucoma certification.

The California Optometric Association (COA) is proud to present Monterey Symposium 2014, an intimate conference ideal for learning. Set in beautiful Monterey, CA, this year's conference is the place to discover new tools and techniques that will help you prepare for some big health care changes.

Access class handouts before you go!

Class handouts will be available online after August 15, 2014.

Visit www.montereysymposium.com to download class handouts for OD and paraoptometric courses. **There will be no handouts distributed at the classes and no print stations onsite.**

Thank you for supporting our efforts to "Go Green!"

Monterey Symposium 2014 Sponsors

THANK YOU TO OUR 2014 SPONSORS!

As the largest state optometric association in the nation, COA expresses its highest gratitude to our Champion Supporters and Monterey Symposium sponsors for their generous support. In addition to sponsorship, their industry-leading products and services make it possible for doctors to practice optometry at the highest possible level. Thank you for making optometry stronger, better and more visible! *(For the most updated list of sponsors, visit www.montereysymposium.com.)*

Food For Thought Series

Monterey Symposium 2014 presents a series of morning and evening sessions hosted by industry leaders. Enjoy a hot morning breakfast or plated dinner while gaining an inside track on the newest services and products available. Make sure you designate which session(s) you'd like to attend on your registration form as seating is limited. Please see the program grid schedule for sessions.

Michael Arnell, OD
Mile Brujic, OD, FAAO
Scott Daniels
Pinakin Davey, OD, PhD, FAAO
Jimmy Jackson, OD, MS, FAAO
Steven Ferrucci, OD, FAAO
Milton Hom, OD, FAAO, FACAAl (Sc)
Jimmy Jackson, OD, FAAO
Anne-Marie Lahr, OD
Richard McCoy, BA, LDO, ABOC, NCLEC, FNAO
Robert Prouty, OD, FAAO
Jeffrey Restuccio, CPC, CPC-H, MBA
Jeffrey Walline, OD, PhD, FAAO
Stephanie L. Woo, OD, FAAO, Fellow of the Scleral Lens Education Society

Speakers

Speaker bios can be viewed online at www.montereysymposium.com or on your phone using the above QR code.

Education Program Information

To help you identify topic areas, Monterey Symposium educational sessions have been designated as:

TPA Therapeutic Pharmaceutical Agent
TPG TPA with approval to treat Glaucoma
TLG TPA with approval to perform Lacrimal Irrigation and Dilatation and treat Glaucoma

Other Other
PM Practice Management
(No credit in CA)

OD course approvals

The Monterey Symposium 2014 continuing education program has been submitted to COPE. If you are licensed **outside** of California, most state boards of optometry accept COPE-approved courses toward credit for licensure renewal.

Do not assume that courses you register for are approved. Please note that COPE courses do not include CEEs. **COA will not be responsible for courses that are not approved by COPE.**

Paraoptometric Education Program Information

The Monterey Symposium 2014 paraoptometric continuing education program has been submitted to **ABO (American Board of Opticianry) / NCLE (National Contact Lens Examiners) and the AOA Commission of Paraoptometric Certification (CPC)**. Do not assume that courses you register for are approved. COA is not responsible for courses that are not approved by ABO / NCLE or CPC. **You will need to complete the appropriate form and submit it to ABO/NCLE or the CPC.**

For an updated listing of approved courses, please visit www.montereysymposium.com.
