

# Therapy by the Sea

## Waterfront Conference Center at Harrah's Atlantic City, New Jersey

Therapy by the Sea takes continuing education to the next level with the opportunity to earn up to **19** optometric CE credits while enjoying a weekend with family and colleagues. TBTS events include the 3rd annual See Well Be Well 5K, Black Jack tournament in the casino-themed Exhibit Hall, and more!

No price increase from 2015!

Save on hotel reservations until Sept. 23<sup>rd</sup>

First 50 OD registrants will be entered in a drawing to win a \$100 American Express gift card

Welcome party at The Loft at Poolside (Must be 21 or over to enter)

Full day of paraoptometric education

Special Offer for ODs who register for Therapy by the Sea AND the See Well Be Well 5k!

New Jersey Society of Optometric Physicians  
(609) 323.4012 www.njsop.org  
Harrah's Resort - Reservations  
1.888.516.2215

**T**herapy by the Sea has been the NJSOP's premier event for many years; offering a variety of courses, credits, and networking opportunities to optometric professionals at every level. In addition to presenting 26 hours of COPE approved CE, attendees will be able to participate in a Cornea Workshop, highlighted by the hands-on usage of amniotic membrane grafts, stromal puncture and more. In addition, a Scleral Lens workshop will allow attendees to handle the lenses and get expert tips on adding them to your practice. Orals credits are available, as are topics on the therapeutic management of ocular diseases, and practice management courses. Plus, TBTS provides a full day of paraoptometric education! In short, something for everyone!

The enclosed information will give you details about the weekend including lecture topics, speaker information, and social events being held throughout the 2016 conference. The event will be held in the state-of-the-art Waterfront Conference Center at Harrah's. With great restaurants, casinos, shopping, and of course the boardwalk, Atlantic City is the perfect location for the more than 200 optometric physicians, paraoptometrics, industry professionals, and families to gather for the weekend. We look forward to seeing you there!

Dr. George Veliky  
NJSOP President

Dr. William Marcolini  
TBTS Event Chair

Dr. Trinae Rosato  
Continuing Education Committee Chair

### Friday Night Welcome Reception

Come experience the tropical ambience of Harrah's Poolside Loft as we kick start our event. All registered TBTS attendees and their families are invited to relax and enjoy drinks, passed hors d'oeuvres and a good time. The Loft is located on the 2nd level poolside. Weather permitting, The Loft opens up to an outside rooftop deck. This event is open to all registrants and runs from 7 pm to 9 pm on Friday, October 14<sup>th</sup>. **Must be 21 to enter.** RSVP on registration form.

### Black Jack Tournament

Try your luck again this year at our Black Jack Tournament on Saturday, October 15<sup>th</sup> in the Exhibit Hall. The Tournament will run from 10 AM – 5 PM. Each registered doctor and paraoptometric will be given a set amount of NJSOP Bucks from the dealer and have a specific amount of time to accrue points. At the end of the tournament the top 7 scorers will enter a "Show Down". The top three scorers of the Show Down will each receive a prize.

### See Well Be Well 5K/1 Mile Fun Run

The 3<sup>rd</sup> annual See Well Be Well 5K/1 Mile Fun Run will take place Sunday, October 16<sup>th</sup> on the picturesque boardwalk outside Bally's Casino. Last year's event drew over 50 participants from across the state! This event benefits the Richard J. Favreau, OD Health Foundation which serves as a catalyst for ideas, partnerships, and programs that improve the health and quality of life of at-risk populations in New Jersey. More details on Page 8.

### Young OD Mixer

Allergan is sponsoring a Young OD mixer on Saturday evening from 5:30 - 6:30 PM. This event is by invitation only and will include light refreshments. Invitations will be mailed under separate cover.

\$65 member	\$70 adult/\$35 Child (age 12 and under)
\$75 non-member	

**Friday, October 14, 2016 - Track A**

**1A** 1pm - 3pm: OCT Case Studies  
 Diana Shechtman, OD ■ 2 NJSBO TPA Credits - COPE # 40134-PS

OCT is a diagnostic modality used in the evaluation of retinal disease. Its ability to depict a cross sectional image, allows us to distinguish pathological changes, particularly those associated with macular disease. This lecture presents challenging cases where OCT analysis played a key role in the evaluation of the condition presented.

**2A** 3pm - 5pm: Tip of the Iceberg  
 Diana Shechtman, OD ■ 2 NJSBO TPA Credits - COPE # 39665-PD

The proper diagnosis of a posterior segment ocular lesion may be challenging. This course will review distinct posterior ocular lesions seen in practice today. The course will highlight the associated underlying systemic disease and potential for morbidity, as well as the proper management of the distinct lesion.

**Saturday, October 15, 2016 - Track A**

**3A** 8am - 9:40am: More than Meets the Eye  
 Diana Shechtman, OD ■ 2 NJSBO TPA Credits PENDING - COPE # PENDING

We often encounter patients with systemic diseases in our practices today. Evaluation of these patients includes both a systemic and ocular approach. This course highlights evaluation management of ocular manifestations associated with systemic diseases, including DM.

**4A** 10:20am - 11:10am: Controlling Progressive Myopia in the Pediatric Population  
 Tamara Petrosyan, OD ■ 1 NJSBO Regular Credit PENDING - COPE # PENDING

This course will review the epidemiology and possible pathophysiology of progressive myopia as well as provide an overview for previous and current treatment options, including different concentrations of atropine, orthokeratology, and bifocal soft contact lenses.

**5A** 11:10am - 12pm: Intro to the Pediatric Eye Examination for the Primary Care Optometrist  
 Tamara Petrosyan, OD ■ 1 NJSBO Regular Credit PENDING - COPE # PENDING

This course will introduce basic techniques for examining the younger pediatric and uncooperative patient to the primary care practitioner as well as provide an update on evidence-based spectacle prescribing for the pediatric population.

**6A** 2pm - 3:40pm: My Doc Told Me to Get an Eye Exam Because...  
 Bruce Onofrey, OD ■ 2 NJSBO ORAL Credits PENDING - COPE # PENDING

Many non-ophthalmic medications can produce visual side-effects. Some of these drugs have the potential to produce devastating loss of vision or ocular side-effects that can lead to loss of visual function. This lecture will discuss the most important of these drugs and what the clinician needs to know to prevent these visually dangerous side-effects.

**7A** 3:40pm - 4:30pm: Do You Want Steroids With That?  
 Bruce Onofrey, OD ■ 1 NJSBO Oral Credit PENDING - COPE # 42847-PH

Steroids are one of the most important therapeutic tools that optometric physicians can utilize to manage the inflammatory response associated with a wide variety of ophthalmic disorders. They can do great good or, unfortunately, great harm. It is important that the clinician selects the correct drug at the right time for the proper disease

**Saturday, October 15, 2015 - Track B**

**1B** 8am - 9:40am: Cornea Workshop: Procedures Every OD Should Know How to Perform  
 George Veliky, OD ■ 2 NJSBO TPA Credits PENDING - COPE # PENDING  
**(Max. 30 Registrants) NOTE: 1B & 2B are the same workshop**

**Sponsored by BioD, BioTissue, and Telscreen**

This hands on work shop will enable the primary care optometrist to become more comfortable with managing corneal pathology. A one hour didactic portion, followed by a hands on lab, will focus on the clinical uses and applications of amniotic membrane grafts including both cryopreserved and dehydrated options. Attendees will be given the opportunity to handle and insert the grafts and become more comfortable with this emerging technology. Mannequins, slit-lamps with video screen technology, and donated pig's eyes will enhance the learning process. In addition, the workstations provided will enable the practice of foreign body removal, epithelial debridement and stromal puncture – procedures often done prior to the application of the amniotic grafts in order to enhance their efficacy.

In addition, the workstations provided will enable the practice of foreign body removal, epithelial debridement and stromal puncture – procedures often done prior to the application of the amniotic grafts in order to enhance their efficacy.

3B

2pm - 4:30pm: Scleral Lens Workshop (Max. 20 Registrants)

Steven Sorkin, OD ■ 3 NJSBO Regular Credits PENDING - COPE # PENDING

Sponsored by Alden Optical

Learn the basics of scleral lens fitting. Review the use of scleral lenses in contemporary contact lens practice and indications for use of these game changing devices. Discussion of patient cases and troubleshooting will also be reviewed. The lab will feature hands-on fitting of scleral lenses as well discussion of initial lens selection demonstration of lens application and removal.

Sunday, October 16, 2016 - Track A

8A

8am - 9:40am: Everything You Wanted to Know About Therapeutics But Were Afraid to Ask

Bruce Onofrey, OD ■ 2 NJSBO Oral Credits PENDING - COPE # PENDING

A thorough discussion of the current pharmaceutical strategies used to manage a variety of anterior segment disorders.

9A

10:20am - 12:00pm Systemic Medications for Special Populations, Young and Old

Bruce Onofrey, OD ■ 2 NJSBO Oral Credits PENDING- COPE # 43329-PH

The goal of this presentation is to review the pharmacology and clinical application of systemic medications in the management of ocular disease. Indications, contraindications and proper dosing in special populations will be presented.

10A

1:30pm - 3:10pm: Obstacles to Care in Oral and Topical Pharmaceutical Therapy: Improving Patient Adherence

Randolph Brooks, OD ■ 2 NJSBO TPA Credits PENDING - COPE # PENDING

Why don't patients always follow our advice when we thought that we were crystal clear with our instructions? The answers may surprise you. This course explores economic, social and psychological factors that negatively impact clinical outcomes. This course will help you understand these and other factors and develop specific strategies to improve patient adherence and remove obstacles to excellent care.

11A

3:10pm - 4:50pm: Improving Patient Outcomes in Oral and Topical Pharmaceutical Therapy: Understanding Off Label Drug Use

Randolph Brooks, OD ■ 2 NJSBO Oral Credits PENDING - COPE # PENDING

What does "off label" really mean and are we allowed to prescribe a medication for a non-approved indication? If so, does that increase our liability risk? What about our pregnant or nursing patients? This course will guide you through the process of drug approval and labelling and help you develop an understanding of how your clinical judgment can positively impact quality of care for your patients.

Saturday, October 15, 2016 - Track C

1C

8am - 8:50am: Ocular Complications of Common Systemic Medications

Tamara Petrosyan, OD ■ 1 Hour CPC Credit Pending

2C

8:50am - 9:40am: Ocular and Visual Consequences of Sports Related Injury

Tamara Petrosyan, OD ■ 1 Hour CPC Credit Pending

3C

10:20am - 12pm: Anterior Segment Disease: Triage to Treatment

Randolph Brooks, OD ■ 2 Hours CPC Credit Pending

4C

2pm - 2:50pm: Ocular Nutrition

Rodolfo Rodriguez, OD ■ 1 Hour CPC Credit Pending

5C

2:50pm - 3:40pm: Customer Service - A Critical Differentiation

Ms. Susan I. Klacik ■ 1 Hour CPC Credit #

6C

3:40pm - 4:30pm: Color Contrast Testing

Edward Harmer, OD ■ 1 Hour CPC Credit Pending

**Registration**

Choose your courses (indicate your choice in the box next to each selection). You will be contacted immediately via phone if any of the courses you have chosen are sold out.

**Pre-Registration is Required**

Walk-ins will NOT be accepted under any circumstance. Registrations will be processed on a first-come, first-served basis.

**Confirmations**

Confirmations along with travel directions will be mailed out upon receipt of your registration.

**Notice to Members**

NJSOP Dues must be current to qualify for registration at the reduced member rate. Failure to remit the correct registration fee will result in your unprocessed registration being returned to you.

**Refund Policy**

You are entitled to a full refund if cancellation is received by September 16<sup>th</sup> or a 50% refund if cancellation is received by September 23<sup>rd</sup>. No refund will be given for cancellation on or after September 24<sup>th</sup>.

**Education**

It is the responsibility of out-of-state registrants to ascertain if the credit for any particular course can be applied toward that state's CE requirement. NJSOP will seek CE certification for COPE only.

**Handouts**

Course Materials (i.e. handouts) will be available for download from the NJSOP event website several weeks prior to the event. A \$35 fee will be charged to those attendees who request pre-printed handouts.

**Name Badges**

Properly displayed name badges will be required for admission to all education, exhibit, business and social functions. Only paid registrants may attend activities and events.

**Waiver of Liability**

Please be advised that by remittance of the registration form to NJSOP, it is agreed by all parties involved that NJSOP shall not be held responsible for any injury, damage, lost or stolen articles, or any additional expense incurred over and above state registration fees in conjunction with these events.

**Accommodation Information**

**Harrah's Resort** - Each guest is responsible for making their own room reservation with Harrah's Resort. Reservations must be made through the reservation department at 1-888-516-2215, by September 23, 2016. Each individual must identify themselves as an NJSOP guest in order to receive the discounted rate (see below). Please make reservations early as rooms have sold out in the past. All reservations are based upon availability.

**Harrah's Room Rates** - Room rates are for single/double occupancy: \$155/night (if reserved by September 23<sup>rd</sup>). Additional persons \$20 per person/per night. Maximum 4 guests per room. Rates are subject to all applicable state and local taxes. Harrah's requires a one-night's room deposit, per room, to guarantee accommodations. The deposit is fully refundable if accommodations are canceled at least 72 hours prior to arrival. Credit cards will be requested from all guests upon arrival for room charges, tax and incidentals. Parking is \$10/day for valet; \$5/day for self parking for all overnight guests. For additional hotel information visit [www.harrahs.com](http://www.harrahs.com) (click on Atlantic City location).
