# LEARN. LEAD. CONNECT!

Dear Colleagues,

We all choose to be members of the American Optometric Association (AOA) for a multitude of reasons. And they are all rooted in the fact that we can do so much more united together. The optometric family is stronger than ever, and Optometry's Meeting®, the annual meeting of the AOA and the American Optometric Student Association (AOSA), is THE opportunity for all of us—doctors of optometry, students and paraoptometricians—to recharge and re-engage with our colleagues, our passions and our opportunities.

It may be another year, but it's not just another meeting. This year's agenda will once again exceed expectations. From innovative continuing education (CE) programming to leadership building to the 50th anniversary celebration of the AOSA, AOA members will come together to make a positive impact on their careers and shape the future of optometry and America's vision health. This is an event you won't want to miss!

**LEARN.** Earn an unprecedented 40 hours of CE credits over five days. We have exciting additions to our CE lineup this year, including two surgical procedures certification courses: Advanced Surgical Procedures and Laser Surgery. Two of the new traumatic brain injuries courses feature the doctor of optometry for the Miami Dolphins football team. And we will have a special focus on two AOA evidence-based optometry guidelines: pediatric and diabetes, with multiple courses in each category.

**LEAD.** Optometry's Meeting allows every participant to make the AOA, our association, a stronger, more effective advocate for our profession. Participate in the House of Delegates and help lead the advancement of optometry's priorities, or attend public sessions to become informed and get involved. We are building on our successful 2017 AOA+ event and helping students become leaders of the future through three AOA+ Leadership Link activities.

**CONNECT.** It can be a challenge to fit everything into your schedule, and that's why Optometry's Meeting brings it all together—in one place—for you. Meet with industry leaders in the Exhibit Hall and connect with colleagues, leaders and mentors across five full days of events.

AOSA President Annabelle Storch joins me in inviting you to make plans now to join us in Denver, Colorado, in June. Participate in your meeting and get engaged in ensuring the bright future of optometry and your patients!

**CHRISTOPHER J. QUINN, O.D.**

2017-2018 President

AMERICAN OPTOMETRIC ASSOCIATION

## JOIN US IN DENVER!

From art museums to white water rafting, from concerts at Red Rock to ziplining, from the Shakespeare Festival under the stars to the Denver Beer Trail, there is something fun and exciting for everyone in Denver! Experience the Mile High City and then venture out into the majestic Rocky Mountains right in Denver's backyard.

Optometry's Meeting will convene at the Colorado Convention Center, conveniently located in a stunningly beautiful building in the heart of downtown Denver. Well-known as one of the most practical and user-friendly meeting facilities, the Colorado Convention Center is located within easy walking distance of all eight Optometry's Meeting hotels, 300 restaurants, 9 theatres of the Denver Performing Arts Complex and a wide variety of shopping and retail outlets.

Denver's mantra is "**Come early, stay late!**" You'll find lots to do if you come early and stay late for Optometry's Meeting 2018. Denver offers easy access to some of the world's most scenic spots and spectacular resorts. Make memories for a lifetime with unforgettable journeys into Denver's rich culture and outdoor adventure paradise.

# TOP 5 REASONS TO ATTEND

## 1 LEARNING NEVER ENDS

Don't miss out on **five days** of the best continuing education in our industry.

## 2 CONTINUE TO INNOVATE

Visit **170+ Exhibitors** to see the latest in technology and advances in the industry.

## 3 EARN YOUR CE CREDITS

Earn up to **40 hours** of accredited education from a vast selection of new courses and unique learning formats.

## 4 CONNECT WITH PEERS

Keep the connections going with **100+ exciting events to choose from**. With options ranging from the Opening General Session, Celebration of Optometry, the Essilor Optometry Student Bowl™, AOA+ Leadership Link, Alumni Receptions, Optometry Cares® 5k Run/Walk and much more.

## 5 BE A LEADER IN OUR INDUSTRY

Get engaged and make a difference for optometry by joining the House of Delegates discussions.

# CONFERENCE HIGHLIGHTS

## OPENING GENERAL SESSION

**Wednesday 5:30-8pm**

Among the most anticipated events of the year, the Opening General Session will feature the 2018 AOA Annual Awards Ceremony, messages from optometric leaders and the keynote address.

Come experience the story behind the headlines as adventurer-turned-inspirational-speaker **Aron Ralston** presents the keynote address. Ralston captured international headlines in 2003 after a canyoneering accident left him trapped between two boulders in a remote location for more than five days. Ultimately, Ralston freed himself by severing his own arm with a

pocketknife. Ralston recounts that story in his *New York Times* best-selling book, "Between a Rock and a Hard Place," which inspired the major motion picture, "127 Hours." Onstage, Ralston brings his gripping story to life. Take away a true appreciation for the power of the human spirit and the value of relationships to overcome life's challenges, no matter how large or daunting one's "boulder" may be.

**Generously sponsored by** *Johnson & Johnson* VISION

## HOUSE OF DELEGATES

**Thursday 8am-2:45pm and Saturday 8am-5pm**

For more than a century, optometry's preeminent assembly of leaders and decision-makers has led the advancement of our profession. Join us on Thursday as the House of Delegates discusses the latest in optometry and essential governance updates, the latest news from the AOA Board of Trustees and the presentation of awards. All members are invited to attend Saturday for the election and installation of the AOA Board of Trustees. Hear the latest in advocacy news and accomplishments, and take a look at the future of optometry from your AOA leaders.

## ESSILOR OPTOMETRY STUDENT BOWL™ XXVII AND RECEPTION

**Thursday 7:30-11pm**

College rivalries take center stage as 25 schools and colleges of optometry battle to be the smartest, loudest and most creative. The high-speed, high-stakes test of optometric knowledge pits one champion from each school against all others, poised to buzz in with the right answer and bring home \$1,000 and the coveted crystal trophy. The equally celebrated Spirit Award honors the school with the most energy, best costumes and flashiest entrance. Everyone is invited to the Student Bowl and the reception that immediately follows!

**Generously sponsored by**  Essilor

## CELEBRATION OF OPTOMETRY

**Saturday 8-9:30pm,**

**Reception, DJ & dancing 9:30-midnight**

Come enjoy an evening of laughter as **Howie Mandel**—comedian, actor, producer and author—performs on the closing night of Optometry's Meeting®. Mandel may be best known these days as a celebrity judge on the hit talent competition series, "America's Got Talent," on NBC. But his entertainment resume is long and versatile. In show business for 30 years, Mandel received an Emmy nomination for "outstanding host for a reality or reality-competition program" for the game show "Deal or No Deal" and a Daytime Emmy nomination for outstanding game show host for its syndicated version. Mandel starred six seasons on the Emmy-Award winning "St. Elsewhere." A frequent guest on talk shows, he performs as many as 200 comedic concerts a year.

Join your colleagues to recognize the 2018-2019 AOA and AOSA Boards of Trustees, and expect an evening to remember. Doors open at 7:45pm. After the entertainment, socialize at the reception and enjoy a DJ and dancing until midnight.

**Generously sponsored by**  HOYA

# PRACTICAL, RELATABLE, ENGAGING EDUCATION!

See the education grids on pages 13-19 for details.

## NEW IN 2018!

- **Two Surgery Certification Workshops**  
This advanced procedures program, offered by Northeastern State University of Oklahoma College of Optometry, covers the training needs of optometric physicians pursuing credentials for advanced technical skills.  
8 hours lecture followed by 8 hours of lab rotation
  - Advanced Surgical Procedures—Thursday and Friday
  - Laser Surgery—Saturday and Sunday
- **Emphasis on Traumatic Brain Injuries**  
Two courses, one featuring the doctor of optometry for the Miami Dolphins football team. Friday 1-3pm and Saturday 9am-12pm. Additional TBI course, Friday 7-8pm
- **Two series featuring AOA Evidence Based Guidelines: Pediatric and Diabetes**  
Multiple courses: Look for category FV (Pediatric) and SD (Diabetes) in the education grid schedule.
- **CPR/AED Certification Workshops for Doctors and Paraoptometrics**  
Wednesday 12:30-5pm or Friday 5-8:30pm

## BACK BY POPULAR DEMAND!

- **CE After Dark**  
Seven hours of CE in the evening. Casual dress. Friday 5pm-midnight
- **ePoster Sessions**  
State-of-the art digital technology!  
Thursday 4-7pm (preview);  
Friday 9-10am, 12-1pm, 3-4pm and 4-5pm
- **Pardon the Objection Series**  
Rapid-fire, fast-paced discussion and lively debate by a panel of respected experts.  
Friday 1-3pm and 5-7pm.  
Saturday 9-11am and 1-3pm

## EXHIBIT HALL SPECIAL EVENTS

Thursday 3-7pm, Friday 9am-5pm

### NEW SCHEDULE!

**The Exhibit Hall will be open for two days only.**

The Hall will be open longer on Thursday and Friday so you'll have more time to learn about the latest industry advances and most innovative solutions for your practice. The Hall will be closed Saturday so you can spend your day in CE.

This is where the conference networking breaks take place. Visit with our exhibitors and sponsors and your colleagues and refuel!

### Thursday

**3-3:15pm**

- Ribbon-cutting, sponsored by Johnson & Johnson Vision

**3-7pm**

- Wine & Cheese Tasting, sponsored by AOAExcel
- Hike the Hall, sponsored by Essilor and companies
  - Rock climbing wall
  - Oxygen bar
  - Pedometer challenge

- ClearVision Optical special promotion at booth #824
- CooperVision one of a kind event at booth #316

### Friday

**9-10am**

- Breakfast Networking Break, sponsored by AOAExcel

**9am-5pm**

- Hike the Hall, sponsored by Essilor and companies
- ClearVision Optical special promotion at booth #824
- CooperVision one of a kind event at booth #316

**12-1pm**

- Lunch Networking Break, sponsored by AOAExcel

**3-5pm**

- Microbrew Mania—Light to Dark and Everything in Between, sponsored by Transitions

## AOSA 50TH ANNIVERSARY

JOIN THE FESTIVITIES AS THE AOSA CELEBRATES ITS 50TH ANNIVERSARY!

### Connect with classmates

- Essilor Optometry Student Bowl™ XXVII and Reception
- Luxottica Live! Party. Enjoy food, drinks and fun!
- NEW Student Education Tracks

### Network with doctors

- AOA+ Leadership Link
- Money tips from Alexa von Tobel—back by popular demand!
- Optometric Residency Forum

### Celebrate 50 years of AOSA!

- New AOSA logo reveal during Opening General Session
- Cake and champagne in the Exhibit Hall
- AOSA Spotlight Reception featuring AOSA Legends

## OPTOMETRY CARES® 5K RUN/WALK

### Saturday 6-7:30am

Rise and shine with Optometry Cares at the annual 5K Run/Walk! The race will take place on the beautiful University of Colorado Auraria Campus, located only a half-mile from the Colorado Convention Center. Race entry fee of \$30 includes a race packet, chip-timed bib, a technical T-shirt, and awards to top age-division finishers. Check in at the packet pickup table located in AOA Central near the Optometry Cares Kiosk on Friday, June 22, from 9am-5pm. Sign up for the race when you register to attend Optometry's Meeting®!

## HERE'S WHAT'S INCLUDED IN YOUR REGISTRATION!

One low registration price includes admittance to continuing education, the Exhibit Hall, and the events listed below. You don't have to pre-register for courses or pay per credit hour except for the hands-on workshops. The following functions are included with all ophthalmic professionals' full conference and one-day registrations. Events below, except continuing education, are included with the Exhibits & Events registration. A name badge is required for admittance to events, including guests and children.

- Five days of continuing education
- Opening reception
- Optometry's Meeting® Opening General Session  
*Sponsored by Johnson & Johnson Vision*
- Admittance to the House of Delegates
- Essilor Optometry Student Bowl™ XXVII and Reception *Sponsored by Essilor*
- Two days' admittance to the Exhibit Hall
- Access to 100+ networking events
- A Celebration of Optometry  
*Sponsored by Hoya Vision Care*
- Optometry's Meeting mobile app  
*Sponsored by Essilor and CooperVision*
- Optometry's Meeting T-shirt
- Commemorative lapel pin
- Backpack  
*Sponsored by Essilor*

## HOW TO REGISTER

**Register early — the earlier you register, the more you save!**

**Register online at [optometrymeeting.org](http://optometrymeeting.org).** Online registration is a fast, simple way to complete your meeting registration. Payment must be made at the time online registration is completed. You may phone your registration to customer service at 484.398.0856, Monday-Friday from 9am-5pm Eastern time. On-site registration will be open Wednesday, June 20–Sunday, June 24 at the Colorado Convention Center. Access to all educational sessions, exhibits, events and any additional programs will only be available to registered and badged attendees.

### Need help with registration?

Call customer service at **484.398.0856** (M-F, 9am-5pm Eastern)

## REGISTRATION CANCELLATION POLICY

A refund of registration fees, less a \$50 per person administrative charge, will be granted if your written request is postmarked on or prior to May 15, 2018. No refunds will be given after the May 15 deadline. All refunds will be issued in the same form as your original payment. Cancellation requests will not be processed by phone.

### Request for refund should be sent to:

Optometry's Meeting 2018  
c/o Expo Logic  
553 Foundry Rd, East Norriton, PA 19428  
Email: [Customersupport@expologic.com](mailto:Customersupport@expologic.com)  
Fax: 888.268.6093

The AOA and AOSA work tirelessly to keep attendee costs affordable at Optometry's Meeting. To keep registration fees low, we ask you to support Optometry's Meeting by booking rooms through MCI USA Strategic Events, Meetings & Incentives, the Optometry's Meeting official housing bureau. MCI USA is the only company authorized to arrange hotel reservations for Optometry's Meeting in Denver, CO.

## BENEFITS OF STAYING AT OFFICIAL OPTOMETRY'S MEETING HOTELS

- Discounted hotel rates.
- Easy access to all Optometry's Meeting functions.
- Better networking opportunities—stay where your colleagues are staying!

## RESERVATION DATES TO NOTE

- Reservations will be accepted based on availability until 10am, June 12, 2018.
- Changes to hotel reservations may be made online until 10am, June 12, 2018.
- A deposit of one night's room and tax will be charged at the time a reservation is made.
- The full booking deposit will be refunded for reservations canceled by May 15, 2018.
- Cancellations after May 15 will forfeit the one night's deposit.
- Cancellations made after 10am Central on June 12 must be made directly with the hotel.
- Cancellations within 72 hours prior to arrival may be charged an additional one night's room and tax by the hotel.

## TO MAKE YOUR HOTEL RESERVATIONS

Visit [optometrymeeting.org](http://optometrymeeting.org) to book housing. You will also be directed to the housing website when you complete your Optometry's Meeting registration. You may print a housing form, available on the website, to reserve your room by mail or fax. Reservations cannot be accepted via phone or email.

### Need help with housing?

# One Day. One Month. One Promise.

## Together we've made a difference

As we celebrate 10 years of the *Power of One*™ program, we want to thank you for embracing one-day and one-month replacement schedules and hydrogen peroxide lens care solutions that help promote more frequent eye exams and practice growth.<sup>1-5</sup>

## Because no two patients are alike

Our comprehensive contact lens, lens care and over-the-counter portfolios offer breakthrough technologies and unique materials that reflect the lifestyle needs of your patients.
