- State Affiliate/AOA Members: \$150
- Non NCOS or State Affiliate/AOA Members: \$250
- NCOS Student/Resident Members: Free!

Complete Event Details: [Click Here!](#)

Virtual Course Information

One week prior to the event, you will receive download instructions for the Zoom platform, as well as the separate links for each course offered. You must log in at the beginning of each course and log out at the conclusion of each course in order to track your attendance and issue credit for whichever courses you attend.

All courses will count as SYNCHRONOUS VIRTUAL, COPE-accredited CE credit, per [NC Board's 2025 CE policy](#) for the purpose of your NC transcripts. Hours will also count as SYNCHRONOUS VIRTUAL (formerly called "online interactive") in the OE Tracker database per ARBO's new course formats instituted in 2023, descriptions of which can be [found here](#). These courses will be presented live and will be interactive, so they must be viewed in real-time (no recordings will be offered for credit).

The NCOS will file CE for NC-licensed optometrists to the NC State Board of Examiners in Optometry, as well as for South Carolina-licensed optometrists to CE Broker. Anyone not licensed in North Carolina or South Carolina will be responsible for reporting their credit to their applicable state board.
