Residents' Weekend 2023 is being held on January 27th and 28th at the NSU Fort Lauderdale/Davie campus located at 3200 South University Drive, Fort Lauderdale, FL 33328. Attendees will have the opportunity to earn up to 8 continuing education (CE) credits including 2 hours of transcript quality (TQ) credits. The HIV course which is required for FL licensed ODs in their first biennium will also be presented.

The event will showcase the outstanding optometric residents from NSUCO and programs affiliated with the college throughout the state of Florida. The lectures will present interesting and challenging cases encountered during their residency training in the form of rapid fire grand rounds.

There will be an opportunity to interact with residents from the various programs and learn more about residency training and the opportunities residency training provides.

All proceeds from all NSUCO OCEAA conferences go towards student scholarships.

Thank you for supporting the future of optometry!

All courses are accredited by COPE and the Florida Board of Optometry.
