# ENVISION NEW YORK 2014

INTERPROFESSIONAL  
PRACTICE

FRIDAY, OCT. 24TH - SUNDAY, OCT. 26TH

# WELCOME

Dear Colleague:

It is my great pleasure to invite you to the 13th Annual Envision New York Continuing Education conference and Alumni Reunion. In addition to our customary world-class optometric education and the opportunity to socialize with friends and colleagues, I am very excited to tell you about the changes that we've made to this year's program. For the first time, the conference will have a theme that will be threaded through the entire program. The theme, "Interprofessional Practice" was selected because we believe that it will be a driving force in determining our practice patterns and revenue stream in the very near future. This year, the conference will run from Friday through Sunday rather than the traditional Saturday-Monday time period.

The social events that you've come to expect have not changed. The always-popular Saturday night *Envision Reception and Alumni Reunion* will be held at the Princeton Club on 43rd St. and *The Envision NY Mixer & Meet the Exhibitors' Reception* scheduled for Friday night at the College. Additionally the Alumni Association is hosting a *Meet Us At The College Alumni Reception* on Sunday night. Our host hotel will be the renowned Roosevelt Hotel on 44th St., offering rooms for an exceptional rate of \$299 per night, which is unbeatable for the Fall Season in Manhattan. Make sure you book now before the room block is filled.

We encourage you to register for the conference early and take advantage of "early bird pricing". Registration details can be found in this brochure and on the College's website at [www.sunyopt.edu/envision](http://www.sunyopt.edu/envision).

The CE Office and the College greatly appreciate your continuing support of Envision. We look forward to seeing you at the College and your participation in a fantastic Envision weekend.

Sincerely,

Richard J. Madonna, MA, OD, FAAO  
Director, Office of Continuing Professional Education
