

The Vermont Optometric Association cordially invites you to join with us in producing our annual optometric fall conference for 2019. The meeting this year will be held at the Stoweflake Mountain Resort & Spa in Stowe, Vermont.

The conference is scheduled for Friday, Saturday, and Sunday, September 6-8, 2019 and will offer 17 hours of COPE approved continuing education during those three days. Exhibition times are scheduled for Friday, September 6th and Saturday, September 7th with around 4 hours of contact time with the attendees. We are planning an Exhibit Hall Grand Opening on Friday night which will allow approximately 1 1/2 hours of exhibition time. Also a break during Saturday morning classes will include time in the exhibit area and also ample time for attendees to spend time in the exhibit hall after lunch on Saturday. Our average attendance for this meeting is approximately 65 optometrists from Vermont and the New England area. Our speakers this year include: Nate Lighthizer OD, Spencer Johnson OD, Steven Ferruci OD, and Aaron Judd OD.

We are committed to providing New England optometrists quality education. Your participation and generosity makes that all possible. Enclosed is a Letter of Intent and please take a moment to review the various types of sponsorship opportunities that are available. We look forward to working with you to make this meeting a success, while showcasing your business opportunities to New England optometrists. **Your response would be appreciated as soon as possible, but please before July 14, 2019.** You may reach us by emailing Rick DelBianco, OD at deleye@aol.com.

On behalf of the members of the Vermont Optometric Association, we would like to thank you for your consideration.

Sincerely,

Suzanne Corbitt, OD

Kayla Brenden, OD

Rick DelBianco, OD
