The EyeSki and the All Things OCT and More Conferences are co-sponsored by ICO and offer 20 or 10 hours of COPE Approved CE, respectively

This popular long running conference offers clinically relevant information presented by expert lecturers in a fun, relaxed environment. Due to its interactive format, there is an abundance of information shared between speakers and the attendees. **20 or 10 hours of COPE approved CE are offered**, and the event is cosponsored by ICO and is valid for Florida licensees.
