Have you completed the new Human Trafficking training required by the state of Michigan?

Human Trafficking: What Michigan Optometrists Need to Know (55653-PB) with Lillian Kalaczinski, OD

Friday, June 1, 2018; 4:30-pm - 5:30pm
Amway Grand Plaza Hotel | Grand Rapids
Members - \$50; Non-Members - \$75

This course will inform attendees on all aspects of human trafficking including: the definition and types of human trafficking; the scope of the problem in Michigan and the U.S. and common venues where trafficking occurs. Information provided will enable optometrists to identify victims of human trafficking by recognizing common warning signs and review the legal obligations to report or intervene on behalf of suspected victims.

- Licensees renewing in 2017 must complete training by renewal in 2019
- Licensees renewing in 2018 must complete training by 2020

Remember to select "Human Trafficking Session" while registering for GLEC. Not attending GLEC? No problem, come for this course only. Visit www.themoa.org to register for this session!

This course meets the new State of Michigan requirement (R338.303 effective December 21, 2016) that requires training for healthcare providers on recognizing the signs of human trafficking.
