Fun Activities for the Entire Family

Now established as the official site for UHCO Alumni Reunions, the CE in the Rockies Program is held annually in Estes Park Colorado, the eastern gateway community to Rocky Mountain National Park. Rocky Mountain National Park and Roosevelt National Forest surround the town of Estes Park with spectacular mountain scenery, abundant wildlife habitat, miles of hiking trails and scenic drives including Trail Ridge Road over the Continental Divide and the Peak-to-Peak Scenic Byway. This program is not exclusive to UHCO alumni and all participants become "honorary Coogs" while in attendance! The four-day program offers four COPE approved continuing education hours each morning (for a total of 16 hours) leaving afternoons free for leisure activities with family and friends.

ALUMNI AND FRIENDS PICNIC

All Course Participants, plus their Family and Friends, are invited to our picnic on Friday, July 12th at 5:30 pm, at Stanley Park. Enjoy dinner and park activities with your classmates and colleagues!
