RE: Resignation

I am informing you of my departure from employment with the City of Santa Fe. I believe that the work I did in Santa Fe made a difference and helped bring to light relevant issues with recommendations that were achievable and designed to increase the efficiency and effectiveness of the departments and divisions audited.

My last day will be Friday, April 6, 2018.

Thank you for my time here, I have learned a lot. I appreciate the opportunity that has been afforded me.

Best Wishes Always!
