Subject: Declined Detainer Outcome Report Validation

Greetings Sheriff (b)(6);(b)(7)(C)

Please be advised that the Multnomah County Jail is included on the Declined Detainer Outcome Report (DDOR) based on the information compiled below. In the process of validating the information, I provided reference to ORS 181A.820 as interpreted post-Miranda-Olivares v. Clackamas County as prohibiting further compliance as the basis for the limitation on further cooperation.

In an effort to record the most accurate information possible related to local county policy, ICE detainers, and the extent of cooperation between our respective agencies, I invite you validate or correct the following information where appropriate:

Facility Name	Does facility provide foreign-born arrest/inmate info. (i.e. foreign-born arrest report)?	Does facility allow ICE access to inmates?	Does facility accept Form I-247A?	Does the facility hold for ICE past the time the person	Does the facility provide adequate notification on ICE	Does facility allow for transfer of custody	Comments and Additional Information

- Multnomah County Resolution 2016-132, Declaring Sanctuary County

Definitions:

- Immigration and Customs Enforcement (ICE) Detainers – A tool used by Department of Homeland Security (DHS)'s Bureau of Immigration and Customs Enforcement (ICE) officials to alert law enforcement agencies that a potentially removable individual is housed in that law enforcement agency's jail or prison. An ICE detainer is an official request from ICE to a state or local public safety entity, for the state or local public safety entity to notify ICE prior to releasing an individual from custody, so that ICE may arrange to take over custody.

Policy:

1. The Multnomah County Sheriff's Office (MCSO) primary mission is public safety. It is vital to this mission that community members feel comfortable interacting with members, reporting crimes, entering court, and generally participating as witnesses or victims in our criminal justice system, without fear of local law enforcement enforcing federal immigration law.
2. The Multnomah County Sheriff's Office (MCSO) values the work of the United States Department of Homeland Security (DHS), as a public safety partner. DHS missions include preventing terrorism, enhancing security, securing cyberspace, and ensuring disaster resilience. However, because of state law, MCSO must draw a bright line with regard to the work of the Bureau of Immigration and Customs Enforcement (ICE), a subset of DHS, and the responsibilities of MCSO. MCSO's mission does not encompass the enforcement of federal immigration law. MCSO generally has no enforcement authority or active role in regards to federal immigration law.
3. In all of its public safety roles – patrol, investigations, and operations of jail facilities – the Multnomah County Sheriff's Office (MCSO) follows state and federal law. As a result, MCSO does not use agency monies, equipment or personnel to enforce federal immigration law, nor does MCSO hold people in custody

Hey (b)(6);(b)(7)(C)

(b)(6);(b)(7)(C) is out of jury duty and working from home. I believe she was working on something involving Multnomah County.

Regarding the portion about Multnomah County in the "Noncompliance with 8 USC 1373" document, there is a written policy from the sheriff. I have attached it to this email.

Multnomah County, Oregon

Multnomah County has an unwritten policy which prohibits all communication with ICE. The county does not ask individuals it arrests about their immigration status and does not provide any information to ICE. The sheriff has communicated this policy directly to ERO, OPLA, and the local U.S. Attorney's Office. He also explained to the media, "[w]e're not going to cooperate or inform ICE about people's immigration status." See <http://katu.com/news/local/sheriff-reese-says-immigration-polices-wont-change-despite-election>. This statement highlights the sheriff's policy prohibiting or restricting the sharing of immigration status information with ICE, which appears to be in violation of section 1373.

The Multnomah County Sheriff has made it abundantly clear in written policy and in multiple news conferences that his staff is not to provide ICE with any information not available to the public. The county does not work with us in any way and quit providing us the booking report on January 27 of this year.

Good Afternoon (b)(6);(b)

I received a phone call from a (b)(6);(b)(7)(C) with Multnomah County Transports. She left me a message indicating that Multnomah County does not have any transport officers available to pick this individual up. She also indicated that Multnomah does not pick-up from ICE and that even

though he have a transportation order, signed by a Multnomah County Judge, our ICE detainer would not be accepted.

Do you want to have someone from the DA's office contact me. If we can get no guarantee that the Multnomah County Sheriff's office is going to honor the transportation order, signed by a Multnomah County Judge, then we will not be turning over the individual.

All,

Attached is the latest policy from MCSO regarding what they'll give us as far as information and access to their facilities. I just called to receive two booking photos; was denied and spoke to the records manager (b)(6);(b)(7)(C) who directed me to this new policy which states they will not provide any information other than what is directly available to the public. We are also allegedly now "not allowed to enter their facilities except what is available to the public". The policy was updated on 5/1/2017, so this is the latest available. (b)(6);(b)(7)(C) claims that we were "never supposed to get them" after the original period of not receiving them [since approximately January, though we started getting them again in February].
