June 10, 2020

Major General Michael E. Stencel, Adjutant General
Oregon Military Department
PO Box 14350
Salem, OR 97309

Dear Major General Stencel,

Last week I directed you to order members of the Oregon National Guard to state active duty to assist the Portland Police Bureau and the Oregon State Police in their law enforcement response to the civil disturbances in the City of Portland, pursuant to the authority vested in me by ORS 399.065(1) and Article V, section 9, of the Oregon Constitution. My understanding is that Oregon National Guard members assisted on June 1 and 2, and that their services are no longer necessary.

Accordingly, this letter confirms that I have rescinded my prior order. The State appreciates the support provided by members of the Oregon National Guard, and thanks them for their service.

Sincerely,

Governor Kate Brown
