## **VANITY**

## Design desires:

- · Dual under mounted sinks
- · Vanity to be all the way to the floor or with legs no floating vanity and no open shelving
- Prefer rectangle mirrors rather than oval or round
- · Like the tiled vanity wall
- · Like the storage splitting the two sinks
- Current tiny medicine cabinet can go away and would like a towel rack there.

## Storage splitting sinks

Like the tiled vanity wall

## COLOR

We want to keep it pretty neutral with color being brought in with paint, wallpaper (do people still wallpaper in the bathroom?) or drapery/valence

No gold fixtures! Chrome or bronze are ok.

No crazy colored tile. Texture and a bit of detail is ok but keep in neutral colors.

Patterned tile could be ok as long as it is in a neutral tone

We like this type of a floor tile or squares on diagonal (maybe) to add interest.

Our "style" is eclectic, clean, relaxed, yet durable (we have teen and small children). Our furniture is a mix of imported carved wood furniture from India and Indonesia - purchased from a store here in Houston - Home Source <a href="http://www.homesourcetx.com">http://www.homesourcetx.com</a>, accent tables from Cost Plus World Market <a href="http://www.pier1.com">http://www.bassett</a> pictures/rugs/accessories Pier1 <a href="http://www.pier1.com">http://www.pier1.com</a>, sofa/chairs Bassett Furniture <a href="http://www.bassettfurniture.com">http://www.bassettfurniture.com</a> and Ikea

We gravitate to dark wood furniture but I am not sure if that would go well in the bathroom and for resale purpose. We prefer warm/neutral colors although lately I have been drawn to green. We are going to repaint a majority of the house from a golden yellow (below) and thinking of adding in some color and I recently visited a Sherwin Williams and was drawn to the following color collections <a href="http://www.sherwin-williams.com/wcm/idc/groups/public/@swpublic/@sherwin-williams/@content/documents/webcontent/mdaw/mdey/~edisp/pdf-hgtv-urbanorganic.pdf">http://www.sherwin-williams/@content/documents/webcontent/mdaw/mdey/~edisp/pdf-hgtv-urbanorganic.pdf</a> and <a href="http://www.sherwin-williams.com/wcm/idc/groups/public/@sherwin-williams/@content/documents/webcontent/mdaw/mdey/~edisp/pdf-hgtv-urbanorganic.pdf">http://www.sherwin-williams.com/wcm/idc/groups/public/@sherwin-williams/@content/documents/webcontent/mdaw/mdey/~edisp/pdf-hgtv-urbanorganic.pdf</a> and <a href="http://www.sherwin-williams.com/wcm/idc/groups/public/@sherwin-williams/@content/documents/webcontent/mdaw/mdey/~edisp/pdf-hgtv-urbanorganic.pdf">http://www.sherwin-williams.com/wcm/idc/groups/public/@sherwin-williams/@content/documents/webcontent/mdaw/mdey/~edisp/pdf-hgtv-urbanorganic.pdf</a> and <a href="http://www.sherwin-williams.com/wcm/idc/groups/public/@sherwin-williams/@content/documents/webcontent/mdaw/mdey/~edisp/pdf-hgtv-urbanorganic.pdf">http://www.sherwin-williams/@content/documents/webcontent/mdaw/mdey/~edisp/pdf-hgtv-urbanorganic.pdf</a> and <a href="http://www.sherwin-williams/@content/mdaw/mdey/~edisp/pdf-hgtv-urbanorganic.pdf">http://www.sherwin-williams/@content/mdaw/mdey/~edisp/pdf-hgtv-urbanorganic.pdf</a> and <a href="https://www.sherwin-williams.com/wcm/idc/groups/pdf-hgtv-urbanorganic.pdf">https://www.sherwin-williams/@content/documents/wcm/idc/groups/pdf-hgtv-urbanorganic.pdf</a> and <a href="https://www.sherwin-williams/@content/documents/wcm/idc/groups/pdf-hgtv-urbanorganic.pdf">https://www.sherwin-williams/@content/d

I like graphic/bold patterns and can usually talk my husband into them : )

And our second favorite room in the house...the formal livingroom...although we are about to repaint and change it up a bit.
