

First floor plan “front area”

The area highlighted in red is open. Meaning the 6.16m x 2 m x 8m “high”.

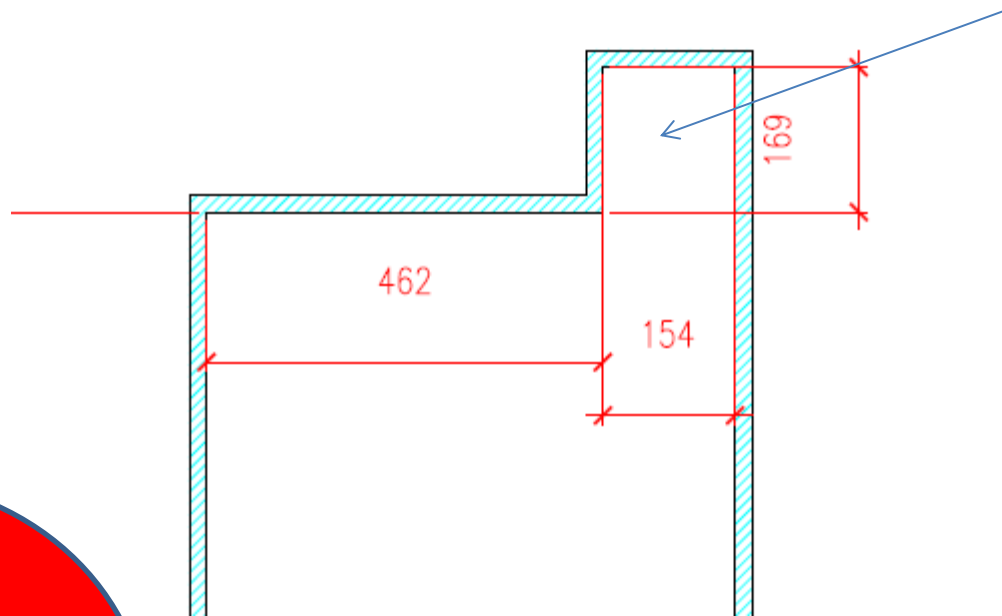

Plz don't let this limit ur creativity these are suggestion only

Current staircase location, which I mentioned earlier that it is eating up a big portion of our storefront area which is disconcerting, let aside that the stair case is very steep and dangerous

First floor plan “back area”

Proposed bathroom,
with wash area

Plz don't let this
limit ur creativity
these are
suggestion only

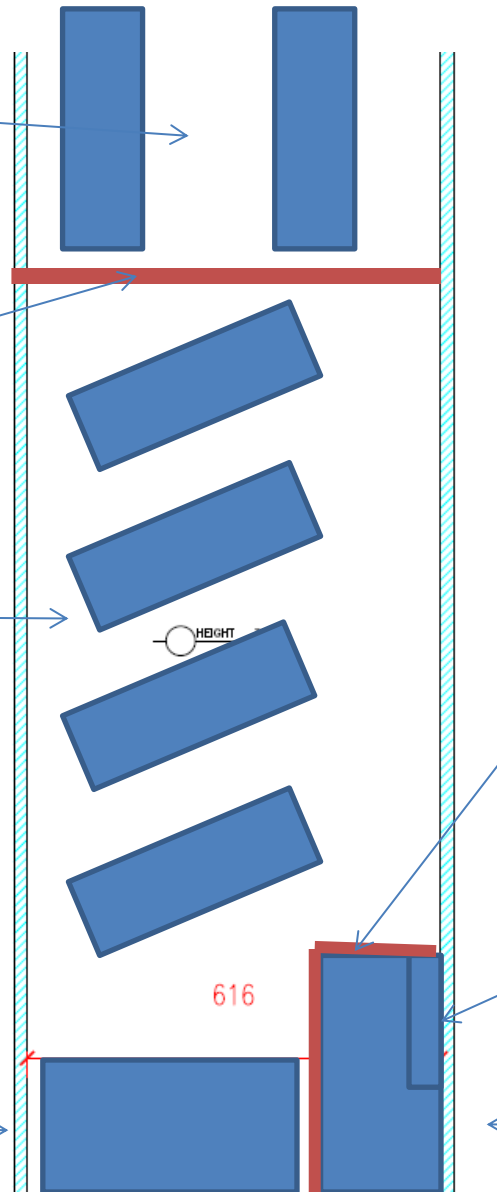

First floor plan "middle area"

Celebrity cars
uplift area "car
show"

Proposed
"garage door "
teaser and
revealer corner

Lined up cars

garage and
entrance

6m

Plz don't let this
limit ur creativity
these are
suggestion only

Area highlighted in red
Sealed off by glass

Proposed staircase
opposite direction to
current status

Reception area
and staircase to
second floor
