

Our revit families are based on vector graphics and delivered in .rfa files. The samples bellow are downscaled low resolution bitmaps for package content overview.

As nossas famílias revit são baseadas em gráficos vetoriais e entregues em ficheiros .rfa. As amostras abaixo imagens de baixa resolução para descrição do conteúdo da embalagem.

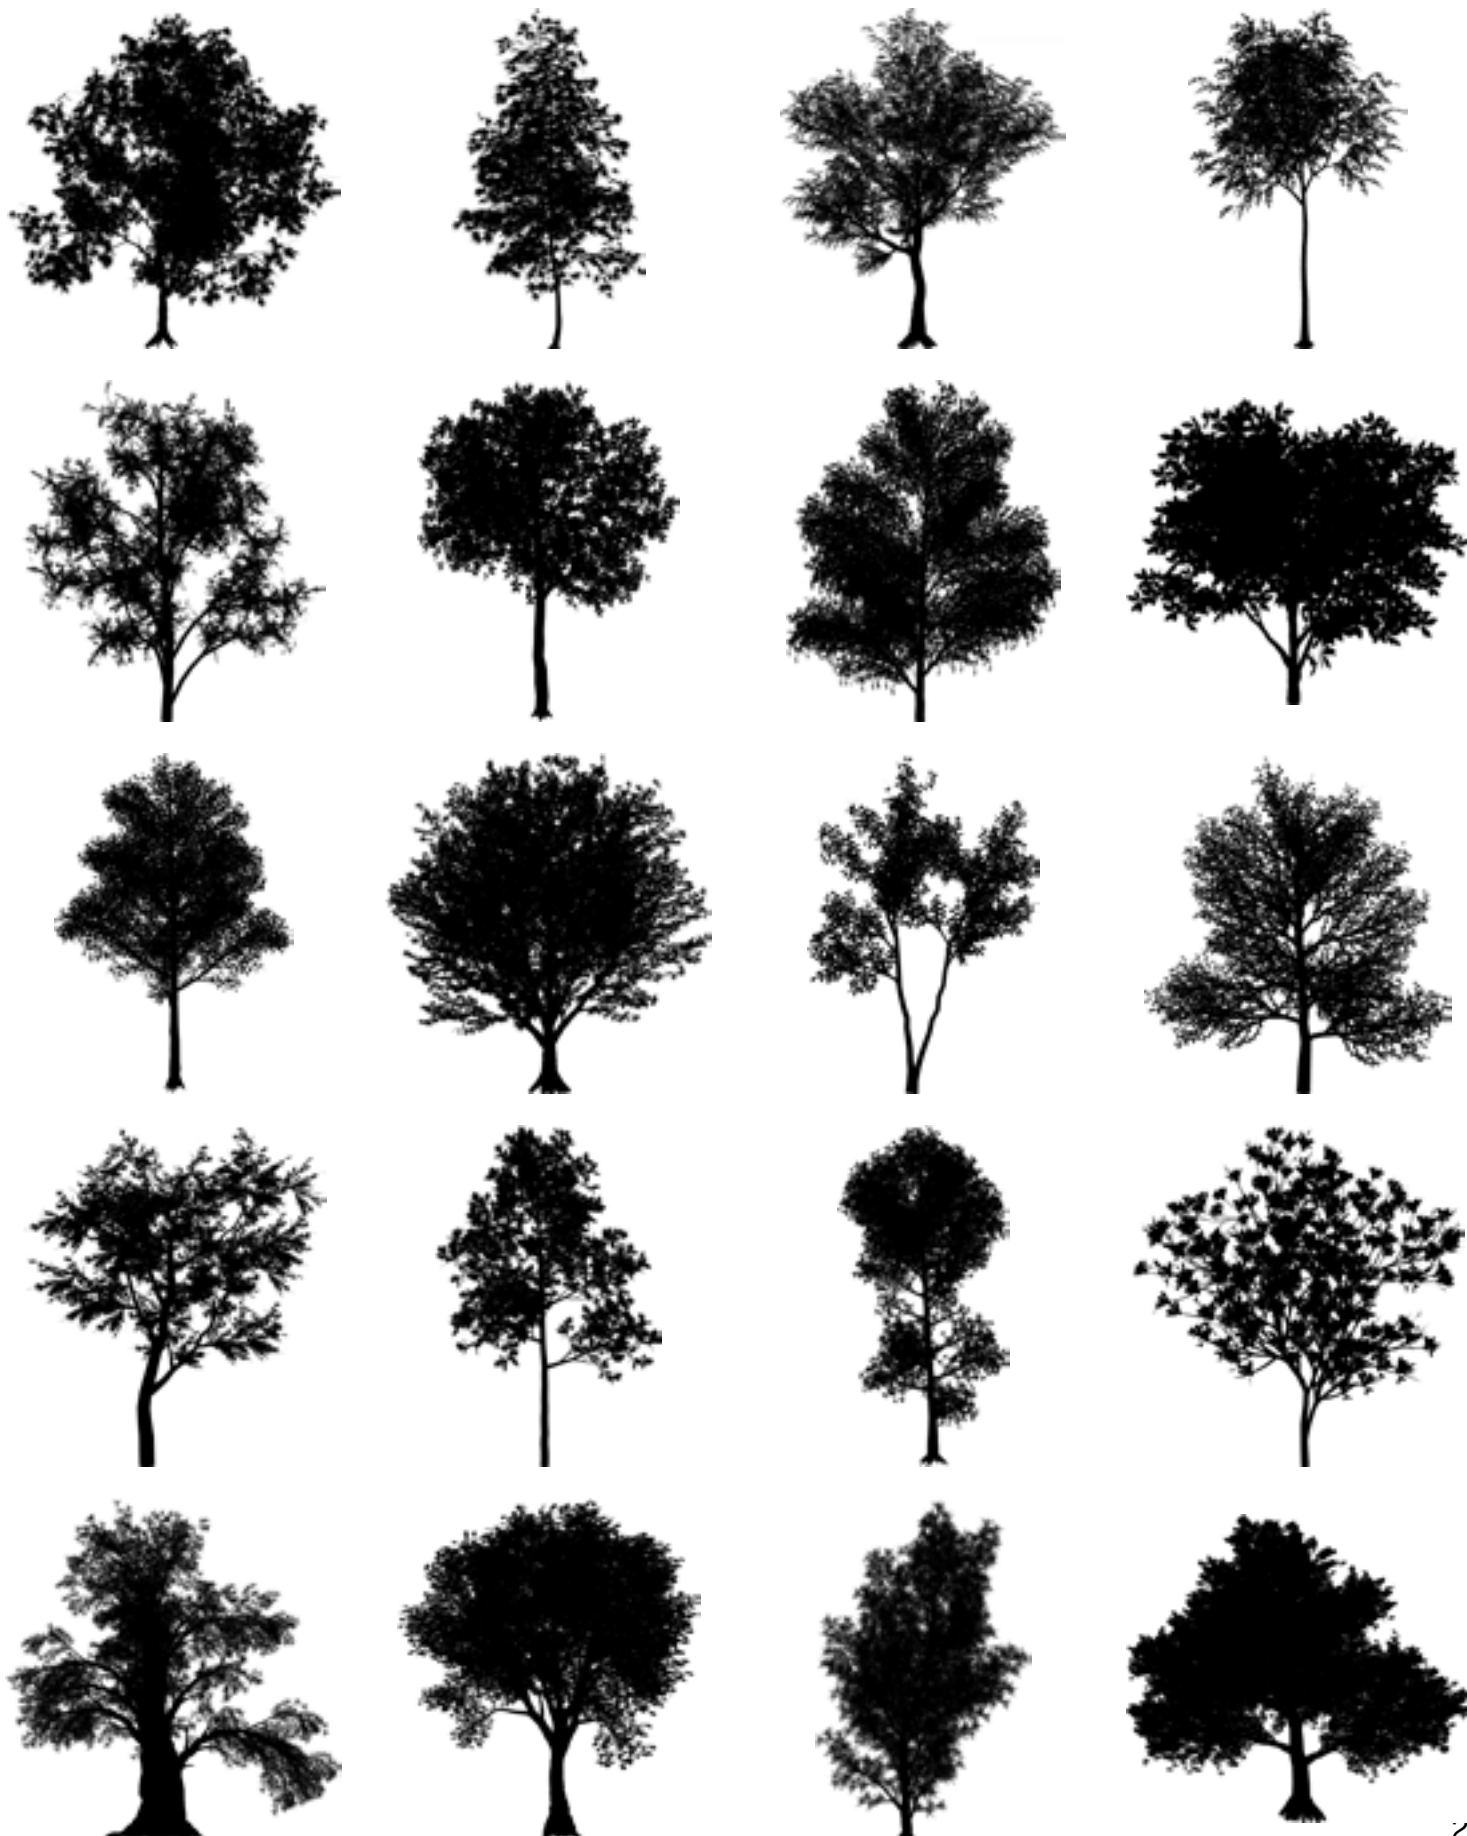

Våre revit familier er basert på vektorgrafikk og leveres som .rfa filer. Bildene nedenfor er nedskalerte filer i lav oppløsning (bitmaps) for oversikt over innholdet i pakken.
