# NEWHOUSE

## ARCHITECTURE + DESIGN COMPETITION

## WELCOME

We at the Chicago Architecture Foundation, are proud to announce the 34th annual Newhouse Architecture + Design Competition! This program showcases the talents of Chicago-area youth. Through this competition, our goal is to inspire teens to understand why design matters by researching, representing, and redesigning the built environment.

## THEME

The Chicago Architecture Foundation inspires people of all ages to discover why design matters.

The 2016 Newhouse Architecture + Design Competition challenges students to re-examine Chicago through the lens of design. The eight competition divisions for 2016 ask participants to observe, style, re-engage or design well-known Chicago architecture. Each division asks students to use the design process to develop a solution that reflects their personal viewpoints and experiences.

## Division 3

### Landscape Design: Boulevards

A landscaped boulevard system connects many of Chicago’s major parks. The 19th century landscape architects designed these boulevards solely to beautify the traveled route. Redesign a specific section of Chicago’s “Green Necklace” that activates this narrow landscape and propose a new way to have people interact within this public space.

### Graphic Design: Chicago Poster

Chicago is the birthplace of the skyscraper and known for its contributions to modern architecture. The city prides itself as one of the architectural capitals of the world and in 2015 hosted the first ever North American Chicago Architecture Biennial. Design a promotional poster that showcases the city’s architecture that can be hung both here and internationally.

## Division 7

### Fine Arts: Architectural Drawing

Architecture is everywhere, and Chicago has a rich variety of buildings. Each building has its own “personality” that can be represented in a variety of ways, from photo-realistic to abstract. Using any combination of pencil, crayon, or paint, choose a building in Chicago that has personal significance to you or your neighborhood, and represent it on paper.

# Prizes

All Newhouse Division winners receive public recognition, certificates of accomplishment and cash prizes as well as two complimentary tickets to the Chicago Architecture Foundation River Cruise aboard Chicago’s First Lady Cruise, ranked “one of the top ten tours in the U.S.” by TripAdvisor users.

All Competition winners, of any award or division, are eligible to apply for a trip to Taliesin in Spring Green Wisconsin. Taliesin was the summer home and studio of architect Frank Lloyd Wright, and is now one of two campuses for his School of Architecture, and the Frank Lloyd Wright Foundation. This unique, all-expenses paid overnight trip gives students a chance to study and see the built environment through a series of design challenges and activities. Details and application materials will be sent to all competition winners.

Winners of each Newhouse Architecture + Design Competition divisions receive:

- Overall Grand Winner \$100
- First, Second, and Third Grand Winners \$75
- First, Second and Third Prize Winners \$50
- Honorable Mentions \$25

Note: If students participate as a group, then prize money is split among them.
