

Business, Engineering, Technology Accelerator... Into a Corporation

BETA Inc.

@ Orangeview Junior High & Western High School

Can a student be **college ready**, earn the **Seal of Biliteracy**, and **complete a pathway**?

YES! In fact, the completion of **ALL** three helps a student be better prepared for higher education **AND** more competitive for scholarships and in college admissions.

Business, Engineering, Technology Accelerator... Into a Corporation

BETA Inc.

Benefits of Taking this Pathway

- Students will learn a professional process for product and process development.
- Pathway will include individual and team experimentation in an iLab (Incubator Lab) where students will be inspired to create a unique or novel device, process or method.
- Development teams will brainstorm, conceptualize, build prototype models and develop manufacturing processes, market analysis, advertising, patent submission requirements and explore venture capitalism and financial analysis.

Workforce Potential

Potential Careers Include:

- Industrial Engineer \$65,300-\$161,600
- Industrial Engineering Technician \$37,560-\$101,160
- Industrial Engineering Technologist \$37,770-\$105,590
- Mechanical Drafters \$36,680-\$101,260
- Model Maker \$29,010-\$98,930

Other Careers Include:

- Product Safety Engineer
- Product Developer
- Entrepreneurs
- Patent Lawyer
- Production Worker
