

Memorials / Mémoriaux

It is our privilege to honour the lives of the men and women from among us who have answered the call to full-time ministry and have served the church as ministers or ministerial spouses. The Lord has used these servants in a variety of ways to establish the foundations upon which we build today. May their examples of obedience and faithfulness serve as an inspiration for all of us to persevere in the building of the Kingdom.

C'est notre privilège d'honorer les vies des hommes et des femmes parmi nous qui ont répondu à l'appel du ministère à temps plein et qui ont servi l'église en tant que ministres ou épouses d'un ministre. Dieu s'est servi de ces serviteurs de plusieurs façons afin d'établir les fondations sur lesquelles nous sommes en train de construire. Que leur exemple d'obéissance et de fidélité nous inspirent à persévérer dans la construction du Royaume.
