

MINISTERIAL EDUCATION AND GUIDANCE COMMITTEE REPORT

—This report is prepared for the 1996 General Conference of The Free Methodist Church in Canada, October 25-28, 1996.

—This report is an attempt to present a comprehensive account of Ministerial Candidates, full members of the General Conference and recommendations from the four sub-committees of the National Ministerial Education and Guidance Committee.

—Parts of this report (1, 3, 4, 6) will be presented early in the General Conference session. The remainder of the report will be presented later in the agenda. **If there are corrections that need to be made or if there are clarifications that you need, please speak to Dennis Camplin, Director of Church Services, during the conference.**

—Please note the following:

—The committee is aware that there are several people listed under “Special Relationships and Special Appointments” whose relationship with the conference needs further clarification and action by the Committee.

—The section “In Transition” is not a comprehensive list of pastors who are interested in placement, i.e., some are listed under “Leave of Absence”.

—No attempt has been made to list those who hold a Lay Minister’s Licence.
