

## 1. Summary of Recommendations for The Study Commission on Doctrine

### Recommendation #1

That "The Manual" of The Free Methodist Church in Canada be adopted in principle to guide the life and ministries of the FMCiC.

☐ Accepted ☐ Defeated      Referred to:

### Recommendation #2

That all amendments adopted by the General Conference be referred to the Study Commission on Doctrine for incorporation into the text of "The Manual;" and that all items raised in discussion this day be referred to the Study Commission on Doctrine as advisement for refinements in "The Manual."

☐ Accepted ☐ Defeated      Referred to:

### Recommendation #3

That SCOD bring recommendations to the BOA as soon as possible following this General Conference; that the BOA act on behalf of the General Conference to adopt proposed changes to "The Manual;" and that the Bishop distribute these changes to the churches as soon as possible.

☐ Accepted ☐ Defeated      Referred to:

### Recommendation #4

That written suggestions, submitted between General Conferences for potential changes to "The Manual," be referred to SCOD for deliberation, study, and preparation of proposals, with report and recommendations to the next General Conference.

☐ Accepted ☐ Defeated      Referred to:
