

Meat Inspector Needed In County

The Auglaize County Board of Health is going to have to adopt a meat inspection regulation and go on its own very soon.

Dr. Newton, who is serving as temporary health commissioner for Auglaize County along with his duties in Allen County, said the Auglaize board will have to act soon if it wants a meat inspection program in the county.

At present, two packers in Auglaize County are being inspected through a contract arrangement with the Allen County health board.

The contract with the Auglaize board expires Oct. 17, however, and the Allen County board says it would like to discontinue the contract as soon as possible so that completely disrupting operations of the packers involved.

The Allen County board voted to send a letter to the Auglaize board saying the Allen County board will continue to supervise the meat inspection program for 30 days after the next meeting of the Auglaize board, which will be held Oct. 31.

Dr. Newton's temporary status as Auglaize County health commissioner was effective July 1 and, with the consent of the Allen County board, will continue until Jan. 1.

If Dr. Newton had not taken the temporary position, the Auglaize board would have been left in the position of not having a medical doctor in charge and none of its operations would have been recognized by the State Department of Health.

John Wynn Funeral Rites Held Saturday

Requiem High Mass was sung Saturday at 10 a. m. in Our Lady of Guadalupe Church at Montezuma, for John Wynn, aged 62, of Chickasaw R. 1, who died at 11:30 p. m. last week.

The Rev. Joseph Zimmerle officiated and burial was made in the church cemetery.

A native of Franklin Township, Mercer County, he was a son of Mr. and Mrs. Bernard Wynn. He and Catherine Stueve, who survives, were married in Minster Nov. 1, 1919. He was a member of the Holy Name Society of the church and was a farmer by occupation.

Surviving along with his wife are three sons, Elmer of St. Sebastian, Lester of Chickasaw, and Robert at home; a daughter, Mrs. Othmar Reichert, Casella; two brothers, Frank and Albert, of Guadalupe; four sisters, Mrs. Al Selhorst of Carthage, Mrs. Robert Benaman of Minster, Mrs. Richard Birkmeyer of Coldwater, and Mrs. Fred Moeller of Montezuma; and 11 grandchildren.

The birthday of Mrs. George Thieman was celebrated Saturday evening at the home of her son and daughter-in-law, Mr. and Mrs. Roger Thieman. Present were Mr. and Mrs. George Thieman, Mr. and Mrs. Richard Frierott, Mr. and Mrs. Harold Thieman of here, Mr. and Mrs. Urban Foespehlman of Yorkshire, Mr. and Mrs. Robert Wehman and Mr. and Mrs. Myrtle Vallo of Dayton, and the host and hostess.

Junior and senior girls of Minster High School and their parents are invited to attend a "Pre-College Day" Sunday, Oct. 20, 2:30 to 4:30 p. m., sponsored by the Alumnae Association of the College of Mount St. Joseph on-the-Ohio on the college campus in Cincinnati. Faculty and alumnae will be available for counseling on careers and professions. Sister Margaret Loretta, assistant dean of the college, will discuss requirements of various fields of study with the aid of illustrated slides.

A tour of campus and classrooms will be conducted by alumnae guides.

50th Wedding Date Nears For Couple At Versailles

Mr. and Mrs. John P. Gasson of Versailles will observe their 50th wedding anniversary Sunday, Oct. 20. The couple plan to begin the day with offering of a High Mass of thanksgiving in St. Denis' Church at 8 a. m.

The family dinner will be served at their home, one-half mile west of Versailles.

Yorkshire-North Star Dial Conversion Set

Wednesday, Oct. 23 will be "D" day for the North Star and Yorkshire telephone exchange subscribers when service will be converted to the new dial system.

According to Richard Mustard, Celina District commercial manager of the General Telephone Company of Ohio, the changeover will take place at 8 a. m. when the new dial equipment will be placed in service.

At time of the conversion each North Star and Yorkshire telephone number will change from a one, two or three-digit number to the new two-letter and five-digit number. Prior to the conversion each subscriber will receive a special card directory listing new telephone numbers of all North Star and Yorkshire subscribers.

With the special card directory each subscriber will receive a dial instruction leaflet. The leaflet will cover each operation of the dial service and will outline procedure and methods of using the new dial service.

As a further aid to introducing the new service Mr. Mustard has scheduled several dial demonstration programs in each community wherein representatives of the telephone company will demonstrate use of the new telephone service and will be available to answer questions.

Mr. Mustard stated that all telephones in both exchanges have been replaced with the new dial instruments. He said all subscriber lines will be tested prior to the actual conversion by trained telephone company personnel, wherein the subscriber will actually be called over the new instrument.

It will be necessary for a plant representative to visit each residence and business on the day of the cut-over and remove the old manual instrument, he said. Service features and improvements to be provided through the dial system will include increased capacity to handle all calls through the exchange, two-letter five-digit telephone numbers in agreement with the nationwide operator tool network, full harmonic ringing and expanded free service trunks between North Star and Yorkshire and Roseburg, as well as expanded toll trunking to Celina, which will be the toll center after the cut-over.

Mr. and Mrs. Oscar Vallo of Dayton visited Harry Vallo and Mrs. and Mrs. Edward Coyle Saturday.

An open reception, to which all friends and relatives are invited, will be held at the residence from 2 to 5 p. m.

Mr. and Mrs. Gasson were married in the Holy Family Church at Frenchtown Oct. 22, 1907, by Rev. F. B. Veil. They resided on a farm in York Township where they raised chickens and began hatching baby chicks.

When they needed more land, in 1919, they purchased their present location west of Versailles, and developed the nationally-known Gasson Strain White Leghorns. For his achievements as a poultry farmer Mr. Gasson was chosen master farmer of Ohio in 1927.

Seven children were born to them, namely Mrs. Norbert (Florence) Groff, Mrs. Edward (Margaret) Pohl, Jerome E. John, C. and Mrs. Ambrose E. (Virginia) Goubeaux, all of Versailles, Cletus A. of Columbus, and Paul J. who died in April, 1956. There are 26 grandchildren and two great-grandchildren.

Elementary Teachers Outline Meeting Plan

Reporting to parents, homework, and reading are the three areas selected for special study by the elementary teachers of the Marion Local School District at monthly meetings during the 1957-1958 school year, as announced by the planning committee.

The committee, consisting of Sister Mary Iona, James A. Arnold, Betty Dabbel, C. V. Eifert, T. R. Hemmelgarn and Leo J. Klingenshirn, has formulated plans whereby study groups will be formed in each of the three areas, with consultants invited to attend staff meetings.

The Oct. 24 meeting will feature a reading expert from University of Dayton.

Marion teachers have been asked to volunteer special services at certain meetings in the form of teaching demonstrations and displays in areas of their choice, with emphasis placed on art, music, and providing for individual differences in reading.

Staff meetings are held regularly on the fourth Thursday of each month in the high school building, and are attended by the teachers of the following schools: Casella, Chickasaw, Osgood, St. John, St. Rose, and Sebastian.

PAPER DRIVE SET BY BOY SCOUTS OCT. 12

Minster Troop 44, Boy Scouts of America, will stage a paper drive this coming Saturday, Oct. 12. In the event of adverse weather the drive will be delayed one week and held Saturday, Oct. 19.

Persons having paper for the boys to pick up are asked to, wherever possible, place the paper in cartons or tie it in bundles, and put it at the curb.

Egypt School Is Last Of Its Kind

When the little red school-house located on State Route 384 near St. Marys bowed this fall to the consolidated school district of St. Marys, it left only one two-room school in Auglaize County.

Known as the Jackson Township School No. 2, it stands along the countryside at the intersection of Egypt-Minster Road and State Route 384. Erected in 1913, it was built of white brick, after a one-room school was abandoned just north of the present school.

It's Catholic 53-pupil, eight-grade enrollment operates under the county public school system and is taught by sisters from the Maria Stein Convent.

Sister Mary Leonarda has been at the school eight years and teaches the first four grades. This year's enrollment is six students in the first grade, five in the second, eight in the third, and 10 in the fourth grade.

Sister Mary Firmina, principal, teaches the four grades in the second room that has an enrollment of three in the fifth grade and oddly enough, six in the sixth, seven in the seventh and eight in the eighth grade.

Sister Firmina is staunch in her support of the little school which has graduated prosperous business men and farmers, a priest, physician, seven nuns and three seminarians.

Regular classes begin each day with arithmetic, followed by spelling, penmanship, history, social studies, and after lunch, science, English, reading and music.

"Children learn to live and play with all age groups at recess," one of the teachers remarked and pointed out that a bright second grade often gathers a lot of knowledge from eavesdropping on the fourth grade assignments.

Winners Announced In Coloring Contest

Winners in the "Holiday on Ice of 1958" coloring contest conducted by this paper the past two weeks were announced Wednesday.

The judges said the task of selecting the five best of the many entries received was a difficult one. They said many were selected from children in the age range of three to 16 that were neatly and tastefully done, and added that the judging would have been much easier had there been at least twice as many prizes of tickets to be awarded.

Two \$2.50 tickets were placed in the mail Wednesday for each of the five winners, good at the 1 p. m. matinee Saturday, Oct. 12 at the Hobart Arena in Troy.

Receiving the tickets are: Ann Henning, 69 South Franklin Street, Minster, aged four; Angie Weckman, 3 South Hanover Street, Minster, aged six; Marsha Meyer, 207 North Lincoln Street, Minster, aged 11; Nancy Drees, 161 South Main Street, Minster, aged 12; Sally Ann Meyer, Minster R. R. 1, aged 15.

Mr. and Mrs. Anton Meyer visited over the week end with Mrs. Elizabeth Brand and family at Hamilton. On Sunday they visited in Cincinnati with Mrs. Kate Vanderhorst and family.

Luke Knapke and Gene Moorman spent the week end in Collegeville, Ind., visiting with Father Wellman and Professor Tonner. They attended the St. Joseph-Butler College football game Saturday afternoon.

Baptized Sunday in St. Augustine Church were William Gerard Bernard, born Sept. 29 to Marlin Bernard and Mary Ellen Gaier, with sponsors being William Gaier and Mary Roehrer; Richard Joseph Boyd, born Sept. 27 to Gerald Boyd and Joann Gilardi, with sponsors being Gene Moorman and Esther Gilardi; Joan Williams Steeb, born Sept. 25 to James Steeb and Evonne Wetzel, with sponsors being Harold Potts and Evangeline Potts.

'Open House' Set At Schools On Oct. 29

Adults of the area embraced in the Minster Local School District are invited to visit the high school and grade buildings during the time of an "open house" which has been set for Tuesday, Oct. 29, 7 to 9 p. m.

Many improvements have been made the past summer, particularly in the elementary building.

New Store Opening In Minster Soon

An 81-year-old area department store is cooperating with a Minster couple in opening a new store here, in the Zumbroegel Building, across from the post-office.

Shenk's Inc., of Delphos and Mr. and Mrs. Gerald Shenk of Minster are opening the store, which will be owned by Mr. and Mrs. Shenk and operated by Mrs. Shenk.

Buying for the fall season has been completed and most of the merchandise—dry goods and ready-to-wear—has been received. Buying was done in conjunction with that of the Delphos store.

Lack of space limits the range of lines and items to be carried because of size of the business room. It was the only one in Minster available for lease.

Shenk's in Delphos was founded in 1876 by the late S. F. Shenk and is Allen County's oldest home-owned department store. Ownership and operation now are in hands of the second and third generation of the family.

Grand opening of the Minster store, planned for next week Friday and Saturday, Oct. 18 and 19, will be announced in an advertisement in next week's issue of this paper.

CHICKEN BARBECUE IS SET AT MARIA STEIN

A chicken barbecue will be held at premises of the Maria Stein Legion Hall this coming Sunday, Oct. 13. Serving will start at 4 p. m. and continue until 8 p. m., and carry-out orders will be available according to the committee in charge.

Sponsor of the event is Post 571, American Legion. David (Stein) Goettmoeiler, a member of Post 571, will again have charge of barbecuing the chicken. He has established an enviable reputation for his ability along this line. He had charge of barbecue stands at the Ohio State Fair and at the World's Plowing Matches at Peebles.

Proceeds of the event will go to help defray expenses of children's Christmas and Easter parties sponsored by the post.

Mr. and Mrs. Gene Artkamp and daughters Carol Ann and Mary Sue, of Dayton, spent the week end with Mrs. Delores Rulmann and Ralph.

School Supt. F. T. Lang, in announcing the open house, issued the invitation to "come and visit your school and your teachers. Then remember to vote for the school levy in November. We feel sure that after a visit to the school and teachers you will be proud of your school and of the Board of Education which has directed the program we now have."

Referring to the school levy, passage of which is vital if the schools are to be kept in operation, Mr. Lang issued the following explanatory statement:

"Why we should vote yes on renewal of the 4.60 mills operating levy in the November election:

"The new state law states that any school district which has a tax levy for current school operation of at least 10 mills shall be entitled to receive additional aid as provided by Section 3317.04.

"Should the 4.60 renewal levy not pass we would be under the 10 mills required by law and therefore would receive no additional aid. Our current operating tax amounts to 4.60 mills inside the 10-mill limitation and 9.60 outside the 10-mill limitation, made up of 4.60, 3.00 and 2.00 mills voted upon and passed by the majority of the voters in past elections. The total would be 14.40 mills. Loss of the 4.60 mills would put us just under the 10 mills required by law.

"Since our valuation has increased the past few years, there is a definite possibility the total millage will be out again this year. Total valuation of our school district is now over \$7,000,000.

"The additional aid we receive can amount to over \$40,000 this year. With defeat of the 4.60 mill levy there would be an additional loss of over \$30,000 from our local tax. Therefore, with a loss of \$70,000, we would definitely have to close down. It would be impossible to operate with such a deficit.

"The increased cost of instruction today, with our salary schedule increase and the addition of new teachers, along with paying more for employees' sick leave and the tremendous improvements we have made to our elementary building this past summer, all greatly increase our cost of operation.

"We are asking for a renewal tax levy, not an increase. In fact we will not be paying as much tax due to the total being cut, and also a possibility of our bond retirement being cut again this year.

"Please vote 'yes' on the renewal of 4.60 mills for the schools operating tax levy in November. Also, vote yes on the renewal levy of .25 mills for our recreation program. Where could we spend so little and get so much for a supervised recreation summer program, along with upkeep of our athletic field?"

Drop Foreseen In '57 Farm Income

Agricultural Department figures indicate Ohio farmers probably will make a little less money this year than they did in 1956. The main reason is a drop in the sale of their two principal crops—wheat and corn.

So the decline in income—there was a 20-million-dollar drop in crop receipts for the first seven months of 1957 compared with the like period last year—is attributed to falling production.

Generally speaking, Ohio farmers have planted about the same acreage of wheat for the last three years—around 1 1/2 million acres.

But the big difference is not in what was planted, but in what was harvested. In other words, the yield has been dropping.

By way of illustration, the average yield of wheat in Ohio was an excellent 29 bushels an acre in 1955. The next year, the figure dropped to 26 bushels. This year it went to 22 1/2 bushels.

The explanation, an old one to farmers, lies in the weather. As one department statistician put it:

"They were getting tremendous heavy rain last spring, just when the wheat didn't need rain."

With respect to corn, the yield has held at around 60 bushels an acre in Ohio—considered a good yield—but sales have declined somewhat.

On the average, the income of an Ohio farmer hit a post-Korean war low in 1955 when his realized net income was, according to department figures, \$2,095.

But this 1956 net income was below the U. S. average for the year: \$2,432. Farmers in many neighboring states, however, averaged still less in net income for 1956. As examples: Michigan—\$1,989; West Virginia—\$863; Pennsylvania—\$1,661; Kentucky—\$1,674.

For the high income farmers, look mainly to the west. Arizona led in 1956 with an average of \$14,094. California farms averaged \$8,298.

Minster Theatre Sets Week End Programs

The Crescent Theatre in Minster, which reopened last week end for the fall and winter seasons, has established a policy of presenting outstanding film entertainment each week end on Friday and Saturday evenings and Sunday afternoon and evening.

Robert Hatfield, manager, stated Wednesday that the public's reception to the opening a week ago was encouraging and that he has proceeded to book a series of the better films covering a period of several months.

The program for the coming week end will be found in an advertisement elsewhere in this paper.

RUSSIA RITES HELD FOR STILLBORN CHILD

Gravestone services were conducted in the St. Remy Cemetery at Russia at 5 p. m. Wednesday for Joseph, infant son of Robert J. and Helen Mangen Monnin of Houston R. R. 1 who was stillborn at the Piquette Memorial Hospital at 11:30 p. m. Tuesday. The Rev. Frank Battersman, pastor of St. Remy's Church, officiated.

Surviving with the parents are brothers and sisters, Carolyn, Marvin, Veryl, Jaqueline, LaRuth, Roberts, Eugene, Gregory and Deborah, all at home. The grandparents are Mrs. Clara Monnin of Russia and Mr. and Mrs. Felix Mangen of Versailles. Arrangements were completed by the Heintz Funeral Home of Minster.

LATEST ADDITION to the medical department at New Idea Farm Equipment Company, Coldwater, is nurse Lola Farrow, shown here giving first aid to a production worker, Ralph Howell. Lola lives on Collins R. R. 8. She attended Celina High School and is an August graduate of the Miami Valley School of Nursing, Dayton.

MRS. JAMES LEISTENSCHNEIDER

Barbara Stachler Is Bride Of James Leistenschneider

The St. Rose Church at St. Rose was adorned with bouquets of red and white gladioli for the impressive nuptial ceremony performed at 9 a. m. Saturday, Oct. 5 in which Barbara Stachler and James Leistenschneider were united in marriage. The Rev. Aloys Cook received the vows and performed the double-ring ceremony and solemnized the Nuptial High Mass.

The bride is the daughter of Mr. and Mrs. Clarence Stachler, and the bridegroom is the only son of Mr. and Mrs. Julius Leistenschneider. All are of St. Henry R. R. 2.

The men's choir sang the mass with Ted Hemmelgarn at the organ. At the offertory of the mass Margie Hemmelgarn sang the Ave Maria, and she sang

"O Lord I am Not Worthy" at communion. At the close of the mass she sang "Mother at Thy Feet I'm Kneeling" as the bride lit a candle at the Blessed Virgin altar.

Proceeding the bride to the altar were Mrs. Lois Mae Millian, sister of the bridegroom, who was matron of honor, and Alice Koesters and Mary Agnes Niefelt, who were bridesmaids. Shirley Ann Schmieging, niece of the bride, was miniature bride. William Mae Millian, brother-in-law of the bridegroom, served as best man. Master Jerry Stachler, nephew of the bride, was ringbearer. Ushers were Kenneth Rammel and Sylvester Guggenbiller.

The bride, given in marriage by her father, wore a gown of

hand-clipped chantilly lace and nylon net. The elongated bodice, which was all lace, had a bateau neckline, embellished with iridescent sequins and pearls, and had long sleeves tapering to bridal points at the hands. The full-length skirt of taffeta was lavished with four tiers of nylon net gleaming with rosettes, centered with sequins and pearls. Her two-tiered fingertip veil of French illusion was caught to a sequin and pearl braided straw caplet. She carried her mother's communion prayerbook topped with an orchid from which fell white streamers knotted with feathered carnations. Her only jewelry was pearl earrings, a gift from the bridegroom.

The miniature bride was dressed exactly like the bride. She carried a baby orchid on a white prayerbook, from which fell streamers of baby breath.

The matron of honor and bridesmaids were dressed identically except for color, in gowns of taffeta and net. The bodices had bateau necklines with elbow-length sleeves. Their very full skirts were accented with wide velvet around the waist, which fell to streamers in back. Their headpieces formed a figure eight, to which were attached rose buds and a velvet ribbon that fell into streamers. Each wore net mitts, necklace and earrings, gifts of the bride, to complete their outfits. They carried colonial bouquets of fall-colored pompons. Their dresses were rose, worn by Mrs. MacMillian, gold worn by Miss Niefelt, and green worn by Miss Koesters.

The men in the bridal party wore gray striped trousers and oxford-gray coats, gray striped ties and lapel flowers of white carnations. The ringbearer was dressed like the bridegroom, and carried the rings on a white satin heart-shaped pillow.

The mother of the bride wore a rose wool crepe dress trimmed in lace, with black accessories, and an orchid corsage. The bridegroom's mother wore a blue crepe dress trimmed in lace, with matching accessories, and an orchid corsage.

Mrs. Sutter, grandmother of the bridegroom, wore a gray dress and a rose carnation corsage.

Breakfast was served at the home of the bride, and dinner

Shower Is Given For Joan Gast

Joan Gast, bride-elect of Louis Overman Jr. of Maria Stein, was honored at a bridal shower recently in the home of Mrs. Joseph Gast in Maria Stein. The hostesses were Mrs. John Verhorn of Minster and Martha Gast of Detroit, Mich.

The bride-to-be received her many beautiful gifts under a sprinkling can showering blue and white streamers. The evening was spent in playing Dub Bridge. Refreshments were served late in the evening to:

Mrs. Richard Overman, Mrs. Cyril Bernard, Mrs. Cyril Overman, Mrs. Robert Tangeman, Mrs. Louis Overman Sr., Ruth Kremer, Mrs. Joseph Gast, Mrs. Delbert Thobe, all of Maria Stein.

Mrs. Eugene Bergman, Carrie Haverbeck and Mrs. Ben Hemmelgarn of Minster; Mrs. Norbert Gerlach, Janice Dippold and Mrs. Norbert Dippold, of St. Henry; Mrs. Virgil Barhorst, Ft. Loramie; Mrs. Raymond Liska, St. Marys; the honored guest and hostesses.

Unable to attend but sending gifts were Mrs. Linus Overman of Dayton, Mrs. William Braun of Columbus, Carol Hemmelgarn and Marlene Hemmelgarn of Minster.

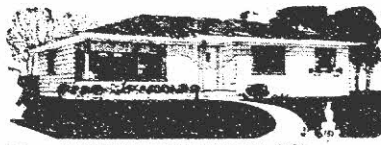

followed at Kemper's Grove where an all-day reception was held. Upon entering the hall Geraldine Stachler and Sammy Schmieging gave an appropriate speech and served the wine.

When the couple left on their trip the new Mrs. Leistenschneider wore a blue saron dress, with black accessories, and the orchid from her bouquet.

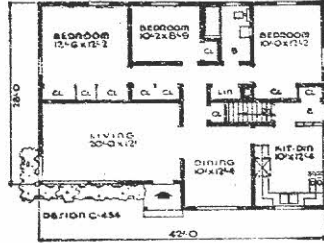

Upon returning from their trip the newlyweds will make their home on a farm near St. Henry.

Mr. and Mrs. Frank Lauferweiler and son John, and Michael Everman, of Dayton, spent the week end with Mr. and Mrs. Louis Schneider.

Cornelia Knostman of Cincinnati is spending this week with her mother, Mrs. Carrie Knostman, and with Mr. and Mrs. Ray Knostman.

Egypt Church Scene Of Prenger-Meyer Nuptials

St. Joseph's Church in Egypt was the scene of the wedding uniting in marriage Alma Catherine Prenger, daughter of Mr. and Mrs. Henry Prenger of Maria Stein, and Herman Henry Meyer, son of Mr. and Mrs. Frank Meyer of Versailles R. R., at 8:30 a. m. Saturday, Oct. 5.

Rev. Martin Rosengarten performed the double-ring ceremony. The main altar was adorned with bouquets of white and red gladioli and a bouquet of white mums adorned the side altar. The mass was sung by the girls' choir with Sister Mary Firmata at the organ. The choir also sang the Ave Maria, and as the bride lit a candle at the Blessed Virgin altar, sang "On This Day O Beautiful Mother."

Theresa Prenger, sister of the bride, served as maid of honor, while Alfreda Meyer, sister of the bridegroom, and Mrs. Dolores Meyer, sister of the bride, were bridesmaids. The maids were dressed identically in floor-length rusting danisite tulle of jewel-tone green, with smartly-draped bodices and unusual back views. The very full bouffant skirts were attractively trimmed with wide flying panels. Each wore a tiara to match. They carried wicker baskets with deep red carnations and each wore a single-strand pearl choker and earrings, gifts from the bride. The bride wore a gown of all cupioni silk, highlighted by an

embroidered sequin portrait neckline. The bouffant skirt was a chapel sweep. Her long sleeves, tapering to points over the hands, also were trimmed in sequins and pearls. Her finger-veil of illusion was caught to a pill-box crown trimmed in seed pearls and sequins. She carried a bouquet of white carnations centered with a purple orchid, and a crystal rosary, a gift from the bridegroom. She

wore a pearl choker and earrings to match.

Jerome Meyer, brother of the bridegroom, was best man and Cletus Prenger, brother of the bride, was groomsmen. The men were attired in medium blue suits, red ties, and wore white carnations as lapel flowers.

Louis Meyer, brother of the bridegroom, and Ralph Prenger, brother of the bride, were ushers.

The mother of the bride wore a teal blue crepe dress trimmed in lace and rhinestones, with black accessories. Mother of the bridegroom wore a bluish gray crepe dress trimmed in

braid and rhinestones, with blue and black accessories. Each wore an orchid corsage.

The breakfast and all-day reception were held at the American Legion Hall at Osgood.

For traveling the bride selected a pine-green jersey dress and black accessories.

The bride attended Minster High School and has been employed at the Huffman Manufacturing Company at Celina. The bridegroom attended Russia High School, served two years

in the army, and now is a carpenter.

MOST AMAZING WATCH TEST EVER CONDUCTED
SEE IT YOURSELF!

Wyer Incalflex

This Wyer Incalflex watch will be dropped 40 feet to the ground from an extension ladder. In many previous tests of this kind, Wyer watches have not been damaged in any way - have kept right on running despite the tremendous shock.

This dramatic demonstration emphasizes the shock-resistant features of Wyer Incalflex. Of course it does not mean that you should slam this watch against the sidewalk or abuse it in any other way - after all a watch is a precision mechanism. But you have the firm guarantee that if the balance wheel, staff or jewels are damaged, they will be repaired or replaced free.

WEDNESDAY NIGHT OCTOBER 23 AT FALL FESTIVAL AT WONDER BAR

YOU CAN WIN THIS WATCH! After the drop, the Wyer Incalflex will be awarded FREE to the holder of a lucky number. Don't fail to be there!

Wildcats Edged At Piqua; Play At Ansonia Friday

The Minster Wildcats, who two weeks ago defeated a highly-regarded Bradford eleven, threw a scare into Piqua Catholic last Friday night at Piqua but finally succumbed to the Cavaliers, 19-13.

The win was the Cavaliers' fourth straight of the season and their second in Tri-County League play.

Through the first half both teams battled up and down the field with neither having too much success. Catholic tallied first on a two-yard plunge by Knob. The Cavaliers wasted little time in scoring, using only nine plays after receiving the opening kickoff on the 33-yard line. Fullback Dick Couchot, who made only one of the three extra-point attempts, that on a running play, missed the extra point and the Cavaliers held an early lead.

Of Peapickin' Ern

OF Ern, Tennessee Ernie Ford, has issued his annual call to all fellow peapickers to be on hand each Thursday night for the weekly fun and festivities of the "Tennessee Ernie Ford Show". Ern, the man of the rich baritone voice, pithy humor and sage philosophy is back at his regular Thursday night (8:30-9:00 p.m.) stand on WLW-Television with his regular quota of songs, stories and stars deftly blended in the distinctive Ford fashion. The "T.E.F. Show" is seen each Thursday night on WLW-Television in Cincinnati, Dayton and Columbus from 8:30-9 p.m.

20-yard line. However, the Wildcats' defense arose to the occasion and stopped Piqua's threat.

Held to their lowest amount of total points in one game, the Cavaliers' offensive attack was thwarted by Minster's strong defensive unit for the remainder of the third period. Minster and Catholic battled back and forth as the fourth quarter opened. Jim Overman fumbled on Minster's 44-yard line with the Cavaliers recovering.

Piqua scored its third TD of the game on Knob's six-yard run around right end. Minster, as the result of two long pass plays and a 15-yard penalty against the Cavaliers, moved down to Piqua's five-yard line. Jay Hogenkamp moved over right guard to score, and the extra point was good to end Minster's scoring for the evening.

Minster travels to Ansonia for a Tri-County League contest Friday night of this week.

CORN HARVEST MISHAP PREVENTION FFA GOAL

Members of the Minister Chapter of Future Farmers of America this fall are taking part in a statewide campaign to stop corn harvest accidents before they happen. According to plans, FFA members will visit every farmer in the Minister area, pointing out hazards and asking for a pledge of safe operation.

Farmers who agree that they will do everything they can to prevent corn harvest accidents will have a special sticker put on their equipment, according to Daryl C. Sharp, vocational agriculture instructor at Minister High School.

The boys will be armed with facts that can help area farmers do a safer and better job of harvesting corn. They will have films on safe corn harvest operation, and tips for safe equipment operation.

"Farm equipment is designed for safe operation, but the oper-

ator must follow safe operating rules," says Irvin Osterloh, president of the Minister FFA Chapter. "Efforts of the state FFA members, along with those of many other interested organizations and individuals, are cutting down the number of corn harvest accidents. But one farmer having an accident anywhere is one farmer too many."

OFFICIAL TO VISIT

In accordance with the policy of furnishing part-time service in the larger communities in the area, a representative of the Lima Social Security office will be at the Eagles Lodge in St. Marys at 10 a. m. Friday, Oct. 18. Service will include help in filing applications for social security benefits and requests for original or duplicate social security cards and information on how social security operates. Information on the recent changes in the law is part of the service.

THIS IS YOUR CIVIL DEFENSE

Read It—Keep It For Future Reference.
By Col. Arnold F. Reiber, Civil Defense Director, Auglaize County.

You are all busy people. These are busy times—for a few moments let's talk about civil defense—non-military defense.

What is it? Do we need it? How do I fit in? These are questions every one asks himself regarding civil defense.

Do we need it? I submit two thoughts for your consideration.

1. Today, one enemy plane carrying one nuclear bomb can deliver on any American city as much destruction power as that carried by all American and British bombers in World War two.

The Soviet Union has this capability—they'd use it in a minute if they thought they would win in such a deadly game. The United States has this capability—we are very loath to use it.

witness our constant effort to come up with a workable disarmament plan.

2. Each year, about 400 large and small natural disasters occur in the United States. Of these, from 15 to 25 are of "major" proportions. Tornadoes, floods, hurricanes—can be just as vicious, just as wasteful of human life, just as destructive to property as any military action, only the magnitude varies. Year after year, natural disasters of a dozen kinds keep striking in the most unexpected places and at the most inconvenient times.

This my friends, is disaster—disaster for which we must plan, as individuals and a nation, to protect ourselves. This is non-military defense—more often called civil defense.

Obviously—we need it. The question remains, however, what is this non-military defense? Whose responsibility is it? How does it work?

What is called civil defense is basically the government—citizens of communities coordinated for making the best possible use, during disaster, of its existing resources. Now what does

this mean? It means simply this—Governments at all levels, by law, have a responsibility to protect their people during emergencies. They have for years done this in floods, etc., it is only logical, therefore, that they be prepared to do this during the greatest of all emergencies—nuclear attack. But government cannot do all this without the help of all its citizens, each one doing his or her part in this overall effort in self preservation in all cases of disasters. This civil defense obligation grows greater with each passing day as newer and more deadly weapons appear on the horizon.

No one person, or one department, or one government—can do all the things which must be done to save life and property and protect our nation in time of disaster, alone. There is not enough money or government resources to do such a job, nor would such a procedure be practical. This is where you come in. You, as individuals and you as representatives of America's industrial family.

Non-military defense after all ultimately reduces itself to just people protecting themselves. This not only means individually, but in the things they do collectively. Certainly most of what we do collectively is business and industry.

Nobody but you, who are American industry, can create your segment of civil defense for you. Without your assistance, it would be impossible to strengthen your communities stand to meet the problems we would face in event of enemy attack or major peacetime disaster. This built-in capability can be assured only if every employer, if every businessman helps make plans for civil defense at the work place and prepares his family, his home for possible disaster.

Therefore, the responsibility for planning, organizing and operating a self-help program with a facility capable of smoothly integrating into community civil defense efforts rests, ultimately, with management in cooperation with employees. Always bear in mind that "civil defense" is not a special kind of protective service organization which is superimposed upon long established governmental or industrial protective and emergency forces or executive authority. It is government, organizations, industries, in emergency circumstances, doing what comes naturally—taking the good common sense measures necessary for protection against possible disasters. It's like money in the bank—even if you don't use it right away, it's nice to have it there.

WHAT THE V.F.W. MEANS TO THE OVERSEAS VETERAN

As a Veteran . . .

The V.F.W. is always on guard against any effort to destroy your established legal rights as an honorably discharged veteran.

These rights include your entitlement—under certain conditions—to care and treatment in government hospitals, disability compensation or pensions, government insurance, burial allowance, pensions for dependents, preference credits for civil service employment, etc. Founded in 1899, long before other major veteran organizations were formed after World War I, the V.F.W. was demanding fair treatment for the nation's disabled and needy veterans. Thus was born the basic pattern of the "G.I. Bill of Rights."

By becoming a member of the V.F.W. you help keep the organization strong enough to protect—not only the nation's disabled veterans and the widows and orphans—but also those rights which are vital to your own security.

Veterans are Good Citizens! Be a V.F.W. Member and be a Better Citizen! Join the V.F.W. Now!

Class Activities In Full Swing At Loramie School

Last Sept. 4 Fort Loramie School started its 1957-58 scholastic year. Introduction of new teachers was held in an assembly on the school grounds.

Supt. S. W. Rusnak brought the assembly to order by saying a few words about the coming year, and about school improvements. Madeline Albers, a senior, led prayer, and a color guard of Explorer Scouts raised the flag. Each of the new teachers said a few words, and students were dismissed to their classrooms.

Total enrollment of the school is 555 students—280 boys and 275 girls. Enrollment of the grade school is 413 students—220 boys and 193 girls. Enrollment of the high school is 142 students—60 boys and 82 girls.

On Sept. 23 high school students elected class officers as follows: Seniors, John Zimmerman, president; Dave Barhorst, vice president; Tom Ellerman, secretary; Mike Utz, treasurer; Juniors, Rita Zirocher, president; Rita Couchot, vice president; Connie Pleiman, secretary; Mary Ann Barhorst, treasurer. Sophomores, Janet Boerger, president; Bonnie Puthoff, vice president; Frank Turner, secretary; Bob Borchers, treasurer. Freshmen, Lavern Schlatter, president; Vernon Siegel, vice president; Anita Poepelman, treasurer; Bernice Ernst, secretary.

In the junior high the following were elected by popular vote: Seventh grade, Dennis Boerger, president; Barbara Brunswick, vice president; Mike Busse, treasurer; Doris Schlatter, secretary. Eighth grade, Ralph Fleckenstein, president; Leo Sanders, vice president; Doris Poepelman, secretary; Linda Pleiman, treasurer.

The Fort Loramie annual staff was chosen Sept. 24—from the senior girls and the journalism class, by popular vote, as follows: Editors-in-chief, Judy Borchers and Rita Zirocher; business managers, Luella Schulze and Iona Siegel; copy editor, Connie Ernst; art directors, Alberta Schmitz and Don Sherman; photographer, Jeanette Schlatter; advertising, Carol Siegel; subscriptions, Marilyn Larver.

On Sept. 19 the staff and assistants took the day off to sell ads in the neighboring towns. The 1958 annual will not be issued until next September, although subscriptions are open now. The staff hopes to include end-of-the-year activities.

Friday, Sept. 13, the students saw the movie "Sally and Saint Anne" as an introduction to "carnival kick-off." Last year the students saw part of the movie when the projector broke down.

The carnival will be held Thursday, Oct. 24. It is an important part of the school activities because it brings in money to pay the year's activities and entertainment for the student body.

The Teen-Age Book Club

[tab] was started by the juniors last year. Mary Katherine Quinlin is head of the junior division with 18 members. The freshman class, which has an enrollment of 15, elected Sandy Wisman as secretary.

Books are ordered monthly through the "tab." They run 25 cents to 35 cents each. They are all kinds: mystery, comic, western and romantic.

Sept. 24 was a happy day for some of the home economics girls. They left school around 3 p. m. with their advisor, Miss Beecher, to visit the Greenville school. The girls are planning to join the F.H.A. They had discussions on different topics about homemaking.

Those who went to Greenville were Sally Brandewie, Marlene Winner, Janet Boerger, Carol Jean Schwartz, Kathleen Williams and Anita Poepelman. Mr. Tenney, advisor of the Science Club, called his first meeting Sept. 6 in the science lab. Officers were elected and plans are being made for a dance in late October.

As a club project candy is being sold in the old cafeteria each noon to raise money for science projects. Officers are: President, Dave Barhorst; vice president, Judy Borchers; secretary, Bonnie Puthoff; treasurer, Jim Puthoff; librarian, Jack Williams; news reporter, Patty Albers. Meetings are held every first and third Monday of the month.

The Fort Loramie Future Teachers Association held the first meeting last May 5 at 7:30 p. m.

The newly-elected officers were initiated and lit candles signifying they would do their best according to their job.

The officers are: President, Madeline Albers; vice president, Judy Borchers; secretary, Marlene Winner; treasurer, Patty Albers; news reporter, Connie Pleiman; librarian, Rita Zirocher; parliamentarian, Mary Elton Albers; historian, Mary Katherine Quinlin.

Plans are being made to visit the school for retarded children at Greenville, and for initiation of new members.

Regular meeting of the FFA was held Sept. 25. Freshmen who joined the vocational agriculture class were initiated. The annual chicken roast was held Sept. 28. The pit was dug the day before. The fire was built about 12:45 p. m. so as to burn down to coals about 3 p. m.

The committee put the chicken about four feet above the fire. Members took turns putting butter and lard on the chicken and turning it. By about 5 p. m. the chicken was roasted. Milk, bread, butter, pie and ice cream were served.

Pioneer Rural Electric brought out an electric laboratory trailer for the study of electricity. Demonstrations were given for all students and for the P.T.A. The display was mainly of practical farm and home wiring.

The band welcomed new members who started last year and continued their good work this summer. Some new members bought new instruments. The school purchased a new pair of cymbals.

The band is fortunate to have special days set aside, Tuesdays and Thursdays, for practice. However, loss of the music room to increased enrollment was something of a disappointment. Students are trying hard so they can pass eligibility tests. According to Miss Wagner, music teacher, the band members have been cooperative so far.

The band members were happy with their last ice cream social. It was successful—quite a change from disappointments they had this summer. They are now wearing majorette uniforms for the Holy Name Rally Oct. 13.

The glee club has tried out voices and feels fortunate in having a larger number of boys than in previous years.

Two science students in the senior class, to be chosen will be eligible to apply for one of a group of major science scholarships sponsored by the Bausch & Lomb Optical Company at the University of Rochester.

The school's candidate for the scholarship competition will be the winner of the Bausch & Lomb honorary science award, who will receive the medal at graduation.

Initiated in 1932 and approved by the National Association of Secondary School Principals, this award is now given annually in more than 6,000 schools throughout the United States to encourage pursuit of scientific careers and to reward high scholastic achievement.

Baseball has been the only sport so far. The team had a winning season, with four wins and two losses, victorious over Russia, Anna, Jackson and Houston and losing to Fairlawn and Botkins.

On Sept. 23 the library was opened for the high school students. New books were purchased by the school. Reason for delay in opening was lack of librarians. Librarians are Carol Shepard, Mary Wuebker, Janice Bruns, Pat Albers, Madeline Albers, and Barbara Aselage.

The junior high teachers, Miss Barr, Mrs. Gagermeier and Mr. Aman, report their classes doing very well.

The seventh grade is planning a Weiner roast and dance Oct. 10, 7 to 10 p. m., at Alvin Luthman's. Grade 8A and 8B are also planning a party Oct. 15, 7 to 10 p. m. The eighth grade expressed appreciation to the board of education for the teachers hired this year.

Everyone is happy school has again begun. The first graders, under supervision of their teachers, Miss Quinlin and Miss Albers, are learning many things. They have been singing and dramatizing Mother Goose rhymes. Until their readers arrive they are learning to tell stories. Both teachers report the children doing quite well.

The second graders, with help of their teachers, Mrs. Barhorst and Mrs. Dillehay, are learning to write. They are also learning to use correct written and oral English. Mrs. Dillehay's students have a small science display, while the girls in Mrs. Barhorst's class have made a play center in a corner of the classroom.

The pupils in grade 3B, under direction of their teacher, Mrs. Slinger, have made dictionaries and have given them to the first graders in Miss Quinlin's room. They plan to make more and give them to Miss Albers' pupils. They have an interesting science display. Mrs. Rees' class, grade 3A, also has an interesting science display. The pupils brought in all the things for the showing. They are studying about plants and animals.

Miss McGuffey's class, grade 4A, has been busy putting up posters on the different kinds of animals. They also have a science table.

Mr. Short reports his classes, 4B and 5A, have been busy. Miss Johnson reports her classes, 5B and 6A, have been working on an interesting history project.

Mr. Dillehay's class, grade 6B, seems to like science. They have lots of small live animals in their room, such things as frogs, toads, and snakes, on exhibit.
