

Global launch of the report “Nurturing Social and Emotional Skills across the Globe”

Santiago, Chile
October, 2024

Logistic Note

Dear guest:

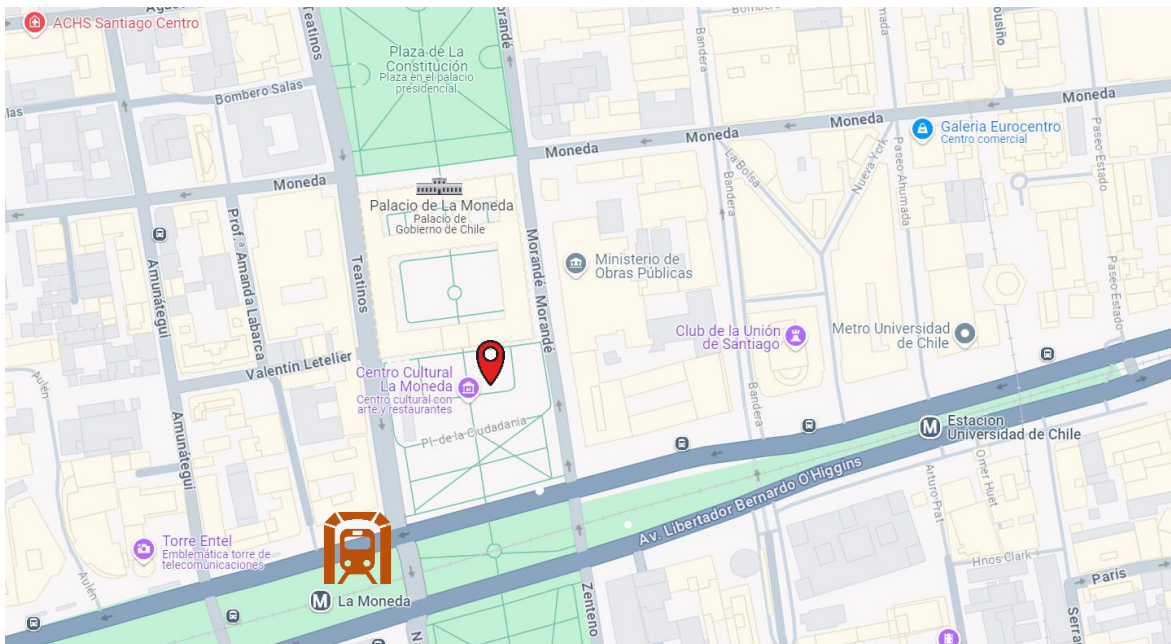

The Chilean National Agency for Education Quality warmly welcomes you to the country's capital, Santiago de Chile. Below, you can find logistical information regarding your stay in the city with the aim of making your participation in the launch of Volume II of the OECD Socio-Emotional Skills Study (SSES) more comfortable.

Santiago is a great city full of secrets and beautiful places to discover with permanent views of the imposing Andes Mountains and crossed by the characteristic Mapocho River.

Date: October 24th, 2024

Venue: [Centro Cultural La Moneda](#) (Plaza de la Ciudadanía 26, Santiago | [Metro La Moneda](#))

Underneath the Palacio de La Moneda (Presidential Palace)

How do I get around Santiago?

The most convenient way to move around Santiago is through public transportation (<https://www.red.cl/>), or using applications such as Uber, Cabify or DiDi, or a private car.

The event's venue is located steps away from the La Moneda Metro station (line 1), which you can reach through the same Metro line, or by combining this service with the RED buses. To plan your trip, you can use the RED application or do it directly on the website <https://www.red.cl/planifica-tu-viaje/>

At [this link](#) you can download an updated map of the Santiago Metro, by clicking on the following icon

Descargar mapa

To get to and from the Arturo Merino Benítez International Airport, we recommend the following options:

- Hire cars or group or shared transfers, through their websites, such as [TransVip](#) or [Radiotaxi Solución](#), or at their official premises located on the first floor of the airport. It is important that, when hiring a transportation service, you only use the authorized services available on site.
- You can also consider using the Cabify transportation app.
- Take bus number 555, which is part of the RED integrated public transportation system. To pay for the ticket you must purchase a Bip! Card or install the RED mobile app, which comes with an integrated Bip!QR paying system, which facilitates access and payment process for passengers. For more information visit: <https://www.red.cl/mapas-y-horarios/bus/recorridos-aeropuerto/>
- Take the Centropuerto bus, available on the 3rd lane of the first level, between exits 4 and 5. The one-way ticket costs CLP\$2,000 and the round trip costs CLP\$3,000. The journey is approximately 40 minutes. The bus takes you to Metro line 1 (Los Héroes or Pajaritos). <https://www.centropuerto.cl/faq>

Where can I exchange Chilean pesos?

We recommend that you exchange your currency into Chilean pesos only in official exchange offices, which are either located at the airport or throughout the city in established locations. In particular, Agustinas Street in Santiago Centro has multiple exchange offices.

In any case, almost all commercial establishments throughout Santiago accept payment by credit and debit card.

Lodging recommendations

We leave you some options to stay in Santiago's city center, with different budgets:

- Hotel Magnolia Santiago de Chile
- Hotel Cumbres Lastarria
- Hotel Plaza San Francisco
- Almacruz Hotel y Centro de Convenciones

We leave you some options to stay in other places in Santiago, which have easy connectivity to get to Santiago's city center, with different budgets:

- Four Points by Sheraton Santiago
- Hotel Eurotel El Bosque
- Rugendas Hotel Boutique by Time Hotel & Apartments
