Attn. Msgr. Douglas Grams

Msgr. Grams,

As you know, on July 5, 2017, a sexual assault allegation was made against Father James Devorak. After a thorough and exhaustive investigation into this allegation by Captain Wyatt Bienfang, the facts became clear that this one allegation was unfounded, meaning the allegation had no merit. It is my hope that this one allegation will not over shadow the life's work of Father James Devorak. If you have any further questions regarding Father Devorak's case please feel free to contact myself or Captain Wyatt Bienfang.

Sincerely,

James J. Raiter
