

She discovered that She had been changed into a monstrous verminous bug.

EVIL

*...to be lost in the big city is to
actually be quite precise about
your place in the universe...*

*Telling a story of co-inhabitation,
co-evolutions, and cross-species sociality...*

*fly room is based on the 1988
documentary THE CRUISE which profiles
Timothy Levitch's experience as a tantric
tour bus operator through the gridlocked
streets of New York City.*
