

HOW IT WORKS

Welcome to ARIIX Travel, where exotic places meet exceptional prices.

When new places are calling your name, new memories are waiting to be made, and you're ready to discover just how beautiful life is, we'll take you on the vacation of your dreams, not just once, but as often as you wish to go. And every time you go, we'll reward you with the means to go again. And again. With ARIIX you work hard... *and play harder.*

Here's How It Works

For every dollar you invest in your health and building your ARIIX business, we give you back Reward Dollars toward incredible vacation savings. ARIIX will establish a maximum Reward Dollar contribution, and the company will apply it to your trip. Sounds pretty good, right? And the more products you use, the more you save on amazing vacations!*

The Fine Print

Public Sharing of Savings: Do's and Don'ts

Every industry has its secrets, and the travel industry wants to keep theirs under wraps! ARIIX Travelers are **STRICTLY PROHIBITED** from publishing or displaying, through any means or channel — including social media — the discounted travel prices available through the ARIIX Travel Rewards program. Any Traveler who publishes or displays, through any means or channel, the discounted travel prices available through the Program will be terminated from the ARIIX Travel Rewards program immediately without exception.

We know how excited you are going to be about your vacation savings and we want you to share! While you are prohibited from sharing screenshots of your vacation savings, we've provided beautifully designed templates, located in your xOffice™, to make sharing your savings simple and safe!

Trip Attendance

The ARIIX Traveler must be present on any trip booked with their account.

RETURNS

- *If product is returned after travel has occurred, all Reward Dollars redeemed on returned product will be owed back to ARIIX and if necessary, will be netted out from the total refund..*
- *Product will not be refunded if there is a trip pending, as the trip would then be subject to cancelation.*

Inactive Status

If you are an ARIIX Representative and your "active" status reverts to "inactive," your Traveler status will be downgraded to Sapphire, only providing access to 50% of the available discount. As long as you continue making a product purchase every cycle, you will retain your rewards bank balance.

If you do not continue making product purchases every cycle, you will lose all Reward Dollars with the exception of the Reward Dollars you gained through your ARIIX Travel access fee and any Reward Dollars you've received through out-of-pocket payment for your trips.

Reward Dollars do not accumulate if you are not an ARIIX Traveler or if your ARIIX Travel access has expired.

Rewards Program Cancelation Policy

ARIIX Travelers have 28 days to cancel their ARIIX Travel rewards account access and receive a full refund as long as no travel has been booked. By booking travel, any right to cancelation is forfeited.

Program Renewal

An annual renewal fee of \$128.88 is required to receive access to the program and continue accruing Travel Dollars. Renewals will take place on the anniversary of the date you joined the ARIIX Travel rewards program. And remember, every renewal fee payment gets you even more Travel Dollars!
