Arrowsight Surgical Edge Solutions

Arrowsight Healthcare Solutions

Arrowsight's Third Party Surgical Edge Solutions (SES) have been published in top medical journals around the world since 2011. Compelling peer-reviewed data shows that Surgical Edge Solutions significantly improves patient safety, patient flow and training in surgery departments, intensive care units, and emergency departments. Surgical Edge Solutions is a new form of Tele-Medicine for Quality Improvement (QI) and can be dynamically deployed throughout hospitals for numerous applications.
