### Visitor tips

#### ENJOY YOUR VISIT!

#### PLEASE...

Help us preserve the art for future generations. Please do not touch works of art. Oils and moisture from hands can cause damage, even to sculptures outside.

Place all packages, backpacks (including baby backpack carriers), umbrellas, and bags or items 11x15 inches or larger in free lockers at the checkroom in the lobby.

Keep food and drinks out of the galleries.

Thank you for not smoking in the Museum or Sculpture Gardens.

Photography for personal use is welcome in collection galleries and gardens—without flash, lights, or a tripod—provided it does not endanger works of art or interfere with the viewing experience of others. Videotaping is not permitted in the galleries.

Sketching is welcome in the galleries with pencil only.

Thank you!
