

# NEW LIFE

COMMUNITY CHURCH

## Finance Team Application

Thank you for your interest in serving on the Finance Team at New Life Community Church. It's important that this team is made up of people who are currently invested at New Life (both financially and by participation). It's also critical that this team is forward thinking (not preserving past events for the sake of 'we've always done them', or ministry initiatives that worked years ago, but no longer reaching the lost). Finally, this team needs to share the value and embrace the reality that NLCC a community of believers committed to making disciples as well as being a church where a non-believer can experience Jesus personally as their Lord and Savior.

The questions below will help us get to know you better so that we can select a balanced team who will:

- provide answers and suggestions to the Board on financial matters
- provide potential solutions to large repairs, upgrades or new ministry initiatives
- commit to serving in this capacity for a 3-year term. Meetings will be determined from upcoming projects that need funding
- provide suggestions as requested by our Finance Manager as needed

It's important to remember that the Finance Team does not select the projects or ministries to be funded, nor do they operate independently of the Board. They report to the Board with suggestions and guidance as to how we can best steward the Lord's money.

Please select "save as" for your completed application and email it to Jacob at: [jvangelder@wcsq.com](mailto:jvangelder@wcsq.com).
