Organized by the Women's Caucus for Art www.nationalwca.org

The Women's Caucus for Art at Ceres Gallery is pleased to present

WAGE ON! Women, Art, and Money as the featured exhibition of the 2017 WCA National Conference. It offers a timely opportunity to address the impact of a changing political and economic landscape. This exhibition extends themes set by the Minnesota WCA Chapter with their expansive "Women and Money" project and is intended to inspire a rich dialogue.
